Chuck Adams
207 W Main St
Taylorsville, KY 40071

Dear Chuck Adams:

Congratulations! You have earned EPA's ENERGY STAR for Taylorsville Elementary School, located at 420 Highview Drive , Taylorsville, KY 40071. This letter outlines all the ways you can promote your achievement:

Decal and certificate: To help you identify your building as one of America's energy all-stars, enclosed is a certificate of achievement and an ENERGY STAR certification decal that bears the well-recognized ENERGY STAR certification mark. If applicable, we've also enclosed an anniversary decal that you can affix below the main decal. We encourage you to affix the decal prominently near the exterior entrance of your building. Find instructions at www.energystar.gov/Promote.

Promotional toolkit: We have more than a dozen ready-to-use promotional materials for you, such as social media graphics, sample text, posters, a 30-second audio clip, and more. Find them at www.energystar.gov/Promote.

ENERGY STAR logo: We hope you will proudly use the ENERGY STAR certification logo, which was attached to your "Congratulations" email, in any materials about your building or this achievement. Before doing so, please refer to the US EPA's logo guidelines at www.energystar.gov/LogoUse.

Again, congratulations on your commitment to energy efficiency. We look forward to receiving your application for the ENERGY STAR again next year!

Sincerely,

Jean Lupinacci

Jean Lupinacci

Director, ENERGY STAR Commercial & Industrial Branch

Enclosures:
(1) ENERGY STAR Certified Building Award Decal
(2) Certificate of Achievement

In recognition of superior energy performance, the U.S. Environmental Protection Agency awards the ENERGY STAR® to

Taylorsville Elementary School

2019

Buildings that earn EPA's ENERGY STAR use 35 percent less energy and generate 35 percent fewer greenhouse gas emissions than similar buildings across the nation.
