Collaboration Agreement

This memorandum of agreement between

Hopkins County Schools

And

Impact Mentoring, Inc.

Specifies that as a community partnership, the above named entities will collaborate in serving the at-risk youth of Hopkins County. The agreement at this time is dedicated specifically to High School Buddy and Adult Mentor Programs.

Hopkins County Schools will support Impact Mentoring's High School Buddy and Adult Mentor Programs by designating a staff person to serve as program liaison, identifying and referring at-risk youth, the needs of those individuals and providing assistance to the volunteers.

Let this memorandum further show that as a partnership, the above named with proper documentation will share confidential and non-confidential information that will support assessment and future program development for the at-risk youth of Hopkins County.
