## ELIGIBILITY DETERMINATION FORM

1. Specify the current mental or physical impairment: \_\_\_\_\_
2. Identify major life activity(ies) impaired: \_\_\_\_\_
3. Determination of Whether the Student Has a Disability Under Section 504.

**Place an "X" on the following scale to indicate the degree that the impairment in #1 limits the major life activity in #2, as indicated above.**

**Focus on the major life activity as a whole, and how it affects access to school district programs.**

Discount from the analysis subpar performance due to other factors, such as normal mood swings, lack of motivation, and the immediate situation or environment. Use most students in the general population as the frame of reference for purpose of comparison. Refer to the definition of "substantially limits," as well as to the Eligibility section of the KPSD's 504 procedures.

For an "X" at 2.0 or above, fill in specific information evaluated by the team that justifies the rating, indicating how the student's access to the school environment or to school activities is limited.
