Mr. Adams,

I finally have the deed between Valley Cemetery Company and the Commonwealth. The total purchase price was \$32,100.

A: 1.23 acres

B: 0.285 acres

C: 0.004 acres includes building to be removed.

Total: 1.519 acres

If they considered the value of the building to be \$15K then land was sold for a similar amount as what we were offered. The building value is not stated and is not available at the PVA. The chapel and the garage are "land hooked" together as part of the total land value of the cemetery.

I will send you a copy of the deed.
