Frankfort, KY 40601

Dear Mr. Dunbar,

This letter is written in reference to the Phase II Project (#10-095) for the Spencer County High School. The project included football grandstands, gymnasium bleachers and a re-roof of the old section of the high school. The project was completed in 2011 and the BG-4 documents have been filed with your department.

A contingency balance of \$9,055.82 remains. We are requesting your permission to expend the residual funds to complete ancillary work on the project. A little bit of site work related to the athletics portion of this project is needed. We would like to use a local contractor to complete this work.

Your consideration of our request is appreciated.

Respectfully submitted,

Vicki Goodlett

RE: BG10-095, SPENCER CO. - Spencer County High School Renovation Phase 2 – Residual Funds

Dear Mr. Adams:

In several phone conversations and emails, Vicki Goodlett, Spencer County Finance Officer, has requested that the remaining funds from BG10-095, approximately \$9,000, be used to complete sitework on the project. This office agrees that these funds could be used for this purpose. Since these monies are SFCC funds, we contacted Dr. Robert Tarvin who concurs. The district may use these funds to complete the sitework as discussed.

If there are questions about KDE requirements, please email or call us at (502) 564-4326.

Sincerely,

A handwritten signature in blue ink that reads "Gregory C. Dunbar".

Gregory C. Dunbar, Manager
