

## **Summary of Changes**

### **KBE Board Meeting – December 2012**

The following is a list of changes to 702 KAR 4:160, Capital Construction Process since the first reading by the Kentucky Board of Education in October 2012.

1. (Pg 1) Removed bold and underline of the title information for conformity.
2. (Pg 6) Deleted KDE Material Supplier Authorization 2012 Form since this form is no longer needed.
3. (Pg 8) Added line identifying that a Revised BG-1 Form is submitted after bidding.
4. (Pg 9) Added line identifying that a Revised BG-1 Form is submitted if contingency has been exceeded.
5. (Pg 10) Deleted word “Maximum” from Architect/Engineer Fee Guidelines.
6. (Pg 11) Deleted word “Maximum” from Construction Manager Fee Guidelines.
7. (Pg 12) Added line that new construction should be 1 foot above the 100-year flood plain and state funds cannot be used for renovations below the 100-year flood plain.
8. (Pg 14-15) Moved the submission of the Kentucky Transportation Cabinet transmittal letter regarding entrance and right-of-way improvements to the design development phase instead of the construction documents phase.
9. (Pg 19) Added “construction” to more clearly identify contingency use.
10. (Pg 20) Renamed BG-4 to Contract Closeout Form instead of Project Closeout Form.
11. (Pg 20) Added KDE approval to BG-4 Contract Closeout Form.
12. (Pg 20) Added BG-5 Project Closeout Form to be submitted by the district for KDE approval.
13. (Pg 21) Updated form names in the Incorporated by Reference Section for BG-4, BG-5, and Fee Guidelines as listed above.
14. (Pg 21) Deleted KDE Material Supplier Authorization 2012 Form since this form is no longer needed.
15. (Pg 23-30) Added the signature page, public hearing and public comment period page, the Regulatory Impact Analysis and Tiering Statement, the Fiscal Note on State and Local Government, and the Summary of Material Incorporated by Reference.
