The Board of Control of the Kentucky High School Athletic Association has authorized the Commissioner to solicit proposals for hosting the KHSAA state fastpitch softball tournament provided there is more than one facility meeting the desired specifications. Such facilities exist in softball..

The meeting to be held for purpose of making the decision on the site for these years will be on May 12-13, 2014 in Lexington at the administrative offices of the Association. These offices are located in Executive Park at 2280 Executive Drive, off of Winchester Road (US 60) at Exit 110 of Interstate 75. For complete directions, see <http://khsaa.org/contact-khsaa/>. The KHSAA desires specific items to be addressed for future tournament years, 2015-2018. The Board of Control reserves the right to select more than one facility during this four-year term and schedule the tournament on a rotating basis amongst chosen facilities.

The attached document contains all of the specific information. For further information concerning process, sponsorship and specific budgetary items, contact Commissioner Julian Tackett. For information specifically relative to the conduct of the softball tournament games including the specifics of the playing facility, contact Assistant Commissioner Darren Bilberry (dbilberry@khsaa.org)
