Tiered Sponsorship Levels*

SCES offers a variety of fundraising activities that provide financial resources to enhance the instructional and co-curricular opportunities for our students. Our students enjoy the fundraising activities and the rewards they receive. While all fundraising activities are voluntary, some parents prefer making a donation rather than purchase or sell products. The creation of the tiered sponsorships is in response to those requests.

<u>Sponsorship Level</u>	<u>One SCES Child</u>	<u>Two SCES Children</u>	<u>Three SCES Children</u>

***This tiered sponsorship applies only to SCES fundraising activities. This does not apply to any other school or school entity such as SCES' PTA.
