Dear Mr. Marcum:

The Local Superintendents Advisory Council (LSAC) met on July 29, 2014 to discuss 702 KAR 1:160, School Health Services. The following recommendations for change were made:

1. On page 6, section (b) strike the language "or during school sponsored activities" unless statutorily required.
2. On page 6, section (c) add the language "participating in" with the acknowledgement that the regulation will clarify that students may self-administer during all school sponsored activities.

The LSAC membership offers this letter of support and affirms staff's recommendations. The members of LSAC appreciate the opportunity to participate in the discussion and provide a local perspective on issues of concern to the Kentucky Board of Education.

Sincerely,

A handwritten signature in black ink, appearing to read "Ed McNeel", with a stylized flourish at the end.

Ed McNeel
LSAC Chair
