

EQUITY COUNCIL RECOMMENDATIONS

BACKGROUND AND RATIONALE:

The equity Council has forged the following recommendations based on the continued achievement gaps in student performance by specific subgroups, as well as other disparities illuminated and data collected within the equity scorecard. The purpose of the recommendations are to assist the district in moving forward efforts and focus to decrease and eliminate gaps and disparities that negatively impact student achievement for ALL students, especially those students reflected in the achievement gap and other areas of disparities.

PROPOSAL:

For the district to move forward the proposed recommendations by the equity Council into actionable items with measurable outcomes.
