**RECOMMENDATION:** Approve the sale of 2005 Dodge truck for \$500.00. Vehicle was advertised for sealed bids. Only one bid was received. Blue Book value indicates trade in value of \$225.00. Private party value low end of \$1065.00 for fair condition. This vehicle is in less than fair condition. There is a check engine light and body damage. Current vehicle scrap metal price is \$140.00/ton
