TANYA JURY, PRINCIPAL

On behalf of Nelson County High School Project Graduation and Thomas Nelson High School Project Liftoff our schools are jointly requesting Board approval of submitting a Community Grant Request through The Wal-Mart Foundation. We are asking permission in memo form and not an application form because Wal-Mart requires you to apply online.

The Foundation allows grant requests for eight areas of funding and accept requests yearly from February 15th through December 31st. Upon approval, we will apply for the education funding area and in the amount of \$2500.00 in which if awarded will split evenly between the two schools. It is our hope that we will be granted the full amount and hopefully, will receive before graduation of this year to use for the graduating seniors last event.

Thank you in advance for the consideration of approval.

Sincerely,

Nelson County High School and Thomas Nelson High School Bookkeepers

Karen Boblett
