7.1.6. Football Playoff Status and Championship Weekend Logistics Review

Rationale:

The Commissioner and Staff will review the recently concluded season and ongoing championship series of tournaments.

Among this review is a plan for substitutions within bracketing as executed by the Commissioner and staff:

OPENING ROUND

If a 1 seed withdrew by Friday, 11/13 at 12 p.m., all others "roll up"

If a 2 seed withdrew by Friday, 11/13 at 12 p.m., 3 and 4 "roll up". If there is a fifth place team in the district, they are offered the opportunity to become the 4th for bracketing. (Mindful that football is the only team sport where every team isn't already in the postseason). (No 5th place accepted this opportunity)

If a 3 seed withdrew by Friday, 11/13 at 12 p.m., 4 "rolls up". If there is a fifth place team in the district, they are offered the opportunity to become the 4th for bracketing. (Mindful that football is the only team sport where every team isn't already in the postseason). (No 5th place accepted this opportunity)

If a 4 seed withdraws by Wednesday at 6 a.m., and if there is a fifth place team in the district, they are offered the opportunity to become the 4th for bracketing. (Mindful that football is the only team sport where every team isn't already in the postseason). (No 5th place accepted this opportunity)

SECOND ROUND AND ONCE BRACKETS WERE RELEASED ON FRIDAY, 11/13

No substitutions

THIRD ROUND

No substitutions

FOURTH ROUND

If one team from a game withdraws by Wednesday at 6 a.m., the team defeated in the prior round by the withdrawing team is offered the opportunity to replace that team.

If the team defeated in the prior round declines, the other losing team in that pod is offered the opportunity to replace the withdrawn team.

Withdrawals after that point are not replaced.

FIFTH ROUND

If one team from a game withdraws by Wednesday at 6 a.m., the team defeated in the prior round by the withdrawing team is offered the opportunity to replace that team.

If the team defeated in the prior round declines, the other losing team in that pod is offered the opportunity to replace the withdrawn team.

If the withdrawal occurs after that point, staff will review the situation and make a determination as to the viability of postponing the contest

Every effort will be made to ensure six championship contests.

Motion Passed: Accept the recommendations and report passed with a motion by Marlon Miller and a second by Larry Coldiron.

Debbie Beichler Yes, Darrell Billings Yes, Mike Clines, Yes Larry Coldiron Yes, Mark Evans Yes, Pete Galloway Yes, Alvin Garrison Yes, Scott Hawkins Yes, Greg Howard Yes, Trent Lovett Yes, Marlon Miller Yes, Lucy Moore Yes, Kim Parker-Brown Yes, Taylora Schlosser Yes, Kirby Smith Yes, Russell Thompson Yes, Matt Wilhoite Yes, Jerry Wyman Yes.

7.1.7. Authorize the Commissioner's Office to Revise Football State Dates as Necessary

Rationale:

The Board has previously established the sites and dates for the State Football Finals. This item will review scheduling options for the state finals as well as facilities.

The prior schedule called for games at 2 and 7:00 on Friday, 1, 4:30 and 7 on Saturday, then Sunday at 2.

The draft schedule for this year is for 2 and 7 on Friday, 12, 4 and 8 on Saturday and then Sunday at 2.

An alternative schedule(1) would be to 12, 4 and 8 on both Friday and Saturday.

An alternative schedule (2) would be to play at 2 and 6 all three days.

Previously established game order originally was 1, 3, 2, 4, 6 and 5.

The Board should discuss the pros and cons of all alternatives and approve a schedule.

Motion Passed: Accept the report and approve the Commissioner and staff executing the state finals, including making schedule changes as necessary. passed with a motion by Taylora Schlosser and a second by Greg Howard.

Debbie Beichler Yes, Darrell Billings Yes, Mike Clines, Yes Larry Coldiron Yes, Mark Evans Yes, Pete Galloway Yes, Alvin Garrison Yes, Scott Hawkins Yes, Greg Howard Yes, Trent Lovett Yes, Marlon Miller Yes, Lucy Moore Yes, Kim Parker-Brown Yes, Taylora Schlosser Yes, Kirby Smith Yes, Russell Thompson Yes, Matt Wilhoite Yes, Jerry Wyman Yes.

7.2.1. Review Current Travel Restriction

Rationale:

Current- No travel to county non-contiguous to Kentucky

Proposed Revision- Remove non-contiguous county restriction;

Recommend to schools No out-of-state travel to county where incidence rate of that county would place them in "red" status in the Commonwealth, not to include all competing teams from other counties;

Recommend adherence to Governor's travel ban for any team or individuals traveling to participate in states on current advisory listing including 14-day quarantine upon return.

Clarify that travel recommendation apply equally to all sports and sport-activities

Motion Passed: Approve the recommended amendments passed with a motion by Trent Lovett and a second by Greg Howard.

Debbie Beichler Yes, Darrell Billings Yes, Mike Clines, Yes Larry Coldiron Yes, Mark Evans Yes, Pete Galloway Yes, Alvin Garrison Yes, Scott Hawkins Yes, Greg Howard Yes, Trent Lovett Yes, Marlon Miller Yes, Lucy Moore Yes, Kim Parker-Brown Yes, Taylora Schlosser Yes, Kirby Smith Yes, Russell Thompson Yes, Matt Wilhoite Yes, Jerry Wyman Yes.

7.2.2. Consider Contract Provisions for Contests, Bylaw 22, including Forfeiture of Contests and Forfeit Fees

Rationale:

For fall, there were no forfeit fees for failure to play regardless of reason.

In addition, all games not played, regardless of reason, were recorded as a "tie" against an out of state team for the purpose of calculating RPI.

The Board must determine for winter sports if forfeit fees shall be applied for cancellations related to Covid and answer these three questions while noting that if a forfeit is declared, the game cannot be replaced.

A contracted game (district or non-district) is not able to be played due to prohibitions on traveling into a "red" county. Forfeit or No.

A scheduled game (non-district) is not able to be played due due to Quarantine or Isolation and unable to be rescheduled. Forfeit or No? Forfeit Fee or No?

A scheduled game (district or non-district) is not able to be played due to a local Board decision that goes beyond the recommendations of the KHSAA or the Governor's office. Forfeit or No? Forfeit Fee or No?

Motion Passed: No forfeit fee be applied to 2020-2021 contracted winter sports contests. passed with a motion by Lucy Moore and a second by Greg Howard.

Debbie Beichler Yes, Darrell Billings Yes, Mike Clines, Yes Larry Coldiron Yes, Mark Evans Yes, Pete Galloway Yes, Alvin Garrison Yes, Scott Hawkins Yes, Greg Howard Yes, Trent Lovett Yes, Marlon Miller Yes, Lucy Moore Yes, Kim Parker-Brown Yes, Taylora Schlosser Yes, Kirby Smith Yes, Russell Thompson Yes, Matt Wilhoite Yes, Jerry Wyman Yes.

7.2.3. Non-Played Seeded District Games Revision

Rationale:

Current - Any seeded game not able to be played results in a win and a loss for both teams in determining district seeding.

Proposed - Non-played district games decided by deadline for seeded games RPI calculation.

Note - All districts that have voted to seed were reduced to one game requirement by action of the Board of Control in July.

Motion Passed: Approve that Non-played district games decided by deadline for seeded games RPI calculation passed with a motion by Scott Hawkins and a second by Mark Evans.

Debbie Beichler Yes, Darrell Billings Yes, Mike Clines, Yes Larry Coldiron Yes, Mark Evans Yes, Pete Galloway Yes, Alvin Garrison Yes, Scott Hawkins Yes, Greg Howard Yes, Trent Lovett Yes, Marlon Miller Yes, Lucy Moore Yes, Kim Parker-Brown Yes, Taylora Schlosser Yes, Kirby Smith Yes, Russell Thompson Yes, Matt Wilhoite Yes, Jerry Wyman Yes.

7.2.4. Bylaw 5 - Review Monitoring of Weekly Grade Checks

Rationale:

Current rule requires a student to be passing in a specific percentage of the six-hour school day (four of six is required). Due to constant fluctuations in modes of instruction during this pandemic, member schools are reporting difficulty in being reasonably certain that this standard is achieved. Propose to change from weekly normal progress to "member schools shall ensure that the students are enrolled full-time and meeting school/district academic expectations in at least four hours of the six hour academic instructional day."

This would remove the routine and regular reporting and place it in the hands of the member schools. This problem is likely to be exacerbated for the next several years with pandemic fallout.

Motion Passed: Change from weekly normal progress to "member schools shall ensure that the students are enrolled full-time and making regular successful academic progress each month and is on pace to receive credits in at least four hours of the six-hour academic instructional day." passed with a motion by Scott Hawkins and a second by Mark Evans.
