

# Memorandum

**To:** State Association Executive Directors  
**From:** Dr. Karissa L. Niehoff, Executive Director  
**Subject:** 2022-2023 NFHS Officials Association Membership Commitment  
**Date:** February 18, 2022

---

It is the time of year during which we ask you to make a commitment from your state regarding 100% membership in the NFHS Officials Association. This information is necessary for the NFHS staff to plan for the upcoming fiscal year as it relates to the budget, publication figures, advertising, cost of goods and print counts.

Attached please find a 100% State Membership Agreement, in addition to the listing of membership benefits for each level of commitment within the 100% state programs. *Please note that there are now three membership levels available to 100% states.* They are as follows:

- **Level One: \$10** per official for educational content only.
- **Level Two: \$17** per official for educational content and insurance.
- **Level Three: NEW OFFERING: \$20** per official for educational content and NFHS Network membership for every member of the 100% state (valued at \$69.99 per official if purchased individually) – no insurance.
- **Level Four: NEW OFFERING: \$25** per official for educational content, insurance and NFHS Network membership for every member of the 100% state (valued at \$69.99 per official if purchased individually).

Also on this document, please indicate if your state association is interested in enrolling in the Center for Officials Services (COS) for the 2022-2023 school year.

Please sign and return the 100% state membership agreement to Dana Pappas, Director of Officiating Services, at [dpappas@nfhs.org](mailto:dpappas@nfhs.org) no later than **March 23, 2022**. Once received, we will countersign and send a copy back to you. If you have any questions, please don't hesitate to contact our office. We thank you for your support in this matter.
