 22 name, image, and likeness agreements of the institution's student athletes. Any
 23 restrictions included in the policy shall be reasonable and shall not be an undue
 24 burden on the student athlete's ability to earn compensation through NIL
 25 agreements. Reasonable restrictions shall be in writing and provided to all
 26 student athletes. The institution's policy shall ensure the equitable enforcement
 27 of restrictions. Reasonable restrictions that an institution may choose to impose

1 include but are not limited to:

2 (a) Prohibiting a student athlete from entering into a NIL agreement for
3 products or services that are reasonably considered to conflict with the
4 mission of the institution, in the same manner as any other student would
5 be prohibited;

6 (b) Forbidding or establishing the conditions for the institution's student
7 athletes' use of the institution's intellectual property, such as trademarks,
8 trade dress, and copyrights, in NIL agreement activities. These conditions
9 may include preferential conditions for activities involving the institution's
10 partner entities;

11 (c) Prohibiting a student athlete from entering into any NIL agreement that

21 (2) (a) A student athlete who wishes to enter into a NIL agreement shall submit the
22 potential agreement to an official designated by the institution in which the
23 student is enrolled in a manner designated by the institution. The institution
24 shall have up to three (3) business days to review the potential NIL
25 agreement for conflicts with the provisions of Sections 1 to 6 of this Act or
26 the institution's reasonable restrictions and provide the student athlete with

1 notice from the institution may include recommendations or identify
2 concerns. After any conflicts are resolved, the student athlete may then
3 enter into the agreement. Any subsequent proposed modifications to the
4 agreement shall be submitted for review in the same manner.

5 (b) The governing board of the institution shall adopt a policy to carry out the
6 provisions of this subsection that:

13 for any damages to a student athlete's ability to earn compensation through a

17 malicious, or intentional misconduct.

19 literacy and life skills education workshop for a minimum of five (5) hours at the
20 beginning of the athlete's first and third academic years. The education shall, at
21 a minimum, include information concerning financial aid, debt management,
22 saving and budgeting best practices, time management, available academic
23 resources, and the skills necessary for success as a student athlete. The workshop
24 shall also provide social media and brand management education. The workshop
25 shall not include any marketing, advertising, or referral for, or solicitation by,
26 providers of financial, marketing, branding, or other NIL agreement products or
27 services.

1 (5) An institution's governing board may establish a program to provide NIL
 2 agreement resources and ongoing support to the institution's student athletes.
 3 The mission and the extent of the program shall be established by the governing
 4 board and may include:

13 (7) For the purposes of the Kentucky Open Records Act, KRS 61.870 to 61.884, a
 14 NIL agreement submitted pursuant to subsection (2) of this section to a public
 15 postsecondary institution and the information obtained from the agreement shall
 16 be considered as containing information of a personal nature where the public
 17 disclosure thereof would constitute a clearly unwarranted invasion of personal
 18 privacy under KRS 61.878 and not subject to disclosure.

 15 reaching the age of eighteen (18) or the contract or agreement shall be revoked.

16 (4) A student-athlete shall reaffirm a NIL agreement or an agency contract, either of

15 (3) (a) The Kentucky Board of Education is hereby authorized to lease from the State
16 Property and Buildings Commission, or others, whether public or private, any
17 lands, buildings, structures, installations, and facilities suitable for use in
18 establishing and furthering television and related facilities as an aid or
19 supplement to classroom instruction, throughout the Commonwealth, and for
20 incidental use in any other proper public functions. The lease may be for any
21 initial term commencing with the date of the lease and ending with the next
22 ensuing June 30, which is the close of the then-current fiscal biennium of the
23 Commonwealth, with exclusive options in favor of the board to renew the
24 same for successive ensuing bienniums, July 1 in each even year to June 30 in
25 the next ensuing even year; and the rentals may be fixed at the sums in each
26 biennium, if renewed, sufficient to enable the State Property and Buildings
27 Commission to pay therefrom the maturing principal of and interest on, and

1 provide reserves for, any revenue bonds which the State Property and
2 Buildings Commission may determine to be necessary and sufficient, in
3 agreement with the board, to provide the cost of acquiring the television and
4 related facilities, with appurtenances, and costs as may be incident to the
5 issuance of the bonds.

6 (b) Each option of the Kentucky Board of Education to renew the lease for a
7 succeeding biennial term may be exercised at any time after the adjournment
8 of the session of the General Assembly at which appropriations shall have
9 been made for the operation of the state government for such succeeding
10 biennial term, by notifying the State Property and Buildings Commission in
11 writing, signed by the chief state school officer, and delivered to the secretary
12 of the Finance and Administration Cabinet as a member of the commission.
13 The option shall be deemed automatically exercised, and the lease
14 automatically renewed for the succeeding biennium, effective on the first day
15 thereof, unless a written notice of the board's election not to renew shall have
16 been delivered in the office of the secretary of the Finance and Administration
17 Cabinet before the close of business on the last working day in April
18 immediately preceding the beginning of the succeeding biennium.

19 (c) The Kentucky Board of Education shall not itself operate leased television
20 facilities, or undertake the preparation of the educational presentations or
21 films to be transmitted thereby, but may enter into one (1) or more contracts to
22 provide therefor, with any public agency and instrumentality of the
23 Commonwealth having, or able to provide, a staff with proper technical
24 qualifications, upon which agency and instrumentality the board, through the
25 chief state school officer and the Department of Education, is represented in
26 such manner as to coordinate matters of curriculum with the curricula
27 prescribed for the public schools of the Commonwealth. Any contract for the

1 operation of the leased television or related facilities may permit limited and
2 special uses of the television or related facilities for other programs in the
3 public interest, subject to the reasonable terms and conditions as the board and
4 the operating agency and instrumentality may agree upon; but any contract
5 shall affirmatively forbid the use of the television or related facilities, at any
6 time or in any manner, in the dissemination of political propaganda or in
7 furtherance of the interest of any political party or candidate for public office,
8 or for commercial advertising. No lease between the board and the State
9 Property and Buildings Commission shall bind the board to pay rentals for
10 more than one (1) fiscal biennium at a time, subject to the aforesaid renewal
11 options. The board may receive and may apply to rental payments under any
12 lease and to the cost of providing for the operation of the television or related
13 facilities not only appropriations which may be made to it from state funds,
14 from time to time, but also contributions, gifts, matching funds, devises, and
15 bequests from any source, whether federal or state, and whether public or
16 private, so long as the same are not conditioned upon any improper use of the
17 television or related facilities in a manner inconsistent with the provisions of
18 this subsection.

19 (4) The state board may, on the recommendation and with the advice of the chief state
20 school officer, prescribe, print, publish, and distribute at public expense such
21 administrative regulations, courses of study, curriculums, bulletins, programs,
22 outlines, reports, and placards as each deems necessary for the efficient
23 management, control, and operation of the schools and programs under its
24 jurisdiction. All administrative regulations published or distributed by the board
25 shall be enclosed in a booklet or binder on which the words "informational copy"
26 shall be clearly stamped or printed.

27 (5) Upon the recommendation of the chief state school officer or his or her

1 designee, the state board shall establish policy or act on all matters relating to programs,
2 services, publications, capital construction and facility renovation, equipment, litigation,
3 contracts, budgets, and all other matters which are the administrative responsibility of the
4 Department of Education.

5 ➔Section 9. The General Assembly hereby declares all name, image, and likeness
6 agreements entered into pursuant to Executive Order 2021-418 to be valid for the
7 duration of one year from this Act becoming law. Upon that date, any contracts entered
8 into pursuant to the order shall become invalid but may be renewed by the student athlete
9 pursuant to the provisions of this Act. Executive Order 2021-418 is hereby nullified and
10 is of no further force or effect.

11 ➔Section 10. Whereas the successful operation of the state's postsecondary
12 educational institutions requires clear guidelines for the regulation of student athlete
13 compensation in intercollegiate athletics, an emergency is declared to exist, and this Act
14 takes effect upon its passage and approval by the Governor or upon its otherwise
15 becoming law.
