

Name Assistant Commissioner Sarah Bridenbaugh

Topic NFHS Summer Meeting Attendance

NFHS Summer Meeting

Sessions Attended Sport specific sessions, Empowering Underrepresented Groups within the Profession, Inclusion of Students with Disabilities Luncheon, Women in Leadership.

Takeaways to help Board and Staff Ample information updates about the sports & sport-activities I manage. Good discussion topics and able to connect with other staff across the country about managing sports. This year, I also was able to get a lot of good information and ideas for the underrepresented groups in our population of student-athletes. Good discussion that led to new ideas for Kentucky and the Association.

General Commentary Thanks for the opportunity to attend on behalf of the KHSAA.
