**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

A reminder was sent to schools and officials of the requirement, per the NFHS playing rules, for a wrestling mat to include a 10-foot circle following reports of illegal mats being used. It has been reported to this office that illegal mats are being sold to teams under false pretense that the rule is going away. Any projections of future changes, false rumors, gossip or other innuendo being spread about the future of the 10-foot circle are irrelevant for the current season, as the 10-foot circle is a requirement that must be adhered to.

**Championship
Update/Review**

Regions are scheduled for Feb. 10-11, followed by the First Round State Tournament on Feb. 17-18 at Atherton HS (Regions 1-4) and Ryle HS (Regions. 5-8). The Final Rounds will take place Feb. 24-25 at George Rogers Clark HS.
