

# Juliana Johnson

## February Student of the Month

### T. K. Stone Middle School

Juliana Johnson is an excellent representative of T.K. Stone. She embodies the Panther spirit with kindness, hard work and positivity. She participates in a variety of clubs and sports as a member of Beta, Y-club, and the high school track and cross-country teams.

Juliana also enjoys thrifting, reading, and debating, which comes in handy in the classroom and in Y-club. She says she really enjoys the competition of a good debate.

Juliana enjoys T.K. Stone because it is a tight-knit community. Everyone knows everyone and it is connected. She is looking forward to attending Etown High School because of the variety of classes that are available. She would eventually like to become a dentist.

Juliana's role model is her mother, because she worked so hard as a nurse in the military and then followed her dream to become an author.

Julianna is a hard working, kind, and intelligent young lady. Her work is creative and detailed and shows that she understands the content. Julianna is a leader in the classroom and is a great student who is willing to help out her peers. She adds important insights to the class discussions. Congratulations on being chosen student of the month! - **Ms. Davis**

Julianna is a very sweet and intelligent young lady who goes above and beyond in math. She strives to improve her skills daily and to help those around her. I can't wait to see the future leader and mentor she becomes, keep up the great work!

Julianna is attentive and engaged in learning. She has a bright smile and is friendly to everyone she comes in contact with. I appreciate her curiosity and willingness to participate in both classroom and school activities. -**Ms. Shearer**

Julianna has one of the kindest hearts I have ever seen! She is always willing to help and works well with other students, even students she hardly knows. Julianna is a multi-talented young lady, participating in several clubs and sports. I am lucky to have had Julianna in class the past two years and she's always been respectful, has a great attitude, and gives 110% effort! -**Mrs.**
