

EHS Student of the Month – March 2023

The EHS student of the month for March is Charlotte Piwetz. Charlotte is a senior at EHS who is also a full-time student at ECTC in our Panther College program. By the time she graduates, Charlotte will have earned 34 college credit hours.

While at EHS, Charlotte has been involved in the following activities:

- ★ Girls Soccer - all four years of high school
- ★ Competitive Soccer Team
- ★ Track & Field - competes in the relay races and 100 meter dash
- ★ Lacrosse - plays offense and defense, midfielder
- ★ Y-Club - attended KYA
- ★ Poetry Out Loud contestant
- ★ Currently works at Menards
- ★ Volunteer Work
 - Sunday School teacher at her church
 - Mission trip to Guatemala

After high school, Charlotte plans to attend Mount St. Joseph University in Ohio and study to be an athletic trainer or a physical therapist.

Here are some comments from her teachers from last year:

- ★ Mrs. Bell (Business Teacher) - Charlotte is a wonderful young lady. I had the privilege of having her in class last year. She always came to class with a smile on her face and was eager to learn. She took her work seriously and wanted to do well on every assignment. Charlotte got along with everyone in the class and was well thought of. Since Charlotte is at Panther College, she comes in often to make sure she has everything she needs for graduation, prom, senior events, etc. I am always thrilled to see her smiling face. Charlotte will do well in whatever she does.
- ★ Ms. Tollison (English Teacher) - Charlotte is a dedicated, hardworking student. She puts forth her best effort in the classroom, on the soccer field, and with her peers, and you can often find her with a friendly smile on her face.
- ★ Mrs. Lively (Chemistry Teacher) - Charlotte was a talented student athlete when she was in my Honors Chemistry class. She always wanted to make sure she understood difficult topics, and would eagerly ask questions and seek out information. Her outlook was always positive, and I could count on her sharing an honest opinion in class. She was an integral part of the class, and added tremendously to the classroom environment!
- ★ Mr. Spears (Business Teacher) - Charlotte is typically upbeat, positive attitude and was a true joy to have in class. She always asked really good questions that other students needed answers to but were too afraid to ask.

EHS is proud to recognize Charlotte Piwetz as the March Student of the Month.
