

Student of the Month: Giselle Jones

Giselle Jones' enthusiasm and joy for learning is contagious. She is conscientious, consistent, and calm, and she has one of the sweetest voices imaginable. For Giselle, following rules and common sense are important to her. It would not be uncommon to see her standing up for what is right and lending a hand to anyone who needs it. Giselle can roll with the punches and has a sweet spunky sense of humor. She is very determined to use integrity in her schoolwork and is always focused on the task at hand. Giselle is an exceptional student, and she is a true role model for her classmates and the entire school.

If more people approached life with a positive and kind attitude like Giselle, the world would be so much better off. She brings a bright smile with her to class everyday and treats everyone fairly. She is patient with people in group work and in whole class activities, and tries to implement everyone's ideas. In class, Giselle is focused and consistently goes the extra mile, which shows true ownership over her own learning. Giselle is confident when asking and answering questions, and openly welcomes feedback.

When asked to describe Giselle, her classmates said that she is sweet, kind, smart, and funny. They also said that she is genuine and generous as well as beautiful, responsible, and a great friend to everyone. Giselle is also very helpful in the classroom. She always tidies up my room whenever she sees something out of place and finds much needed pencils that have disappeared throughout the day.

Giselle is a leader and checks all the boxes in meeting Helmwood's guidelines for success. The entire fourth grade is very proud of her!
