- IV. New Business
 - a. Allocations - Janes explained the staff allocation sheet to us. We are losing 1 classroom teacher position next year. We will also lose another position from the ½ Spanish teacher and the ½ the board had given us at the beginning of the year. So we will be down 2 classroom teachers for next school year.
 - b. Section 6 Budget - Janes explained the proposed budget. It is similar to last years with a few changes. PBIS is getting \$2000 . Detention was cut out of the budget since we didn't use it much this year, and we will pay for it next year hourly out of contingency. It was brought up that the library doesn't have much money so Hope told Angie to keep track of what she spends on books and we can buy more books out of contingency if she needs it. Janes did decide to bump library up to \$2500 from \$2000, taking the \$500 out of contingency. Fox motioned to approve the budget, Weaver seconded.
 - c. PD Plan - Mr. Goff created most of the PD plan. Most of the hours will be spent creating curriculum guides with the departments. The TK day will be spent learning about Culturally Responsive Classroom Management and Teaching with Rigor. Rucker suggested that we do some of the Opening Day stuff on 8/2 (work day) in order to give staff time to get their thoughts about everything. The Work Day is taking the 6 PD hours that are going to happen later in the year on scheduled work days. Coogle motioned to approve the PD Plan, Rucker seconded the motion.
 - d. Public Comment - no public comment

- V. Personnel
