3. Public Comment:

Mr. and Mrs. Seybert, parents of Noah Smith, discussed their son's experience at Valley View. In their opinion the new SBDM policy on fighting does not have the best interest of all students. They told the council that their son, who had never been in any trouble before, should not have been sent to Valley View. He experienced behaviors and actions that were not conducive to his safety or the safety of others.

It has been recommended that at the next SBDM meeting that this policy is reviewed and that the meeting time and place be added to the Event Link calendar so that any parent that wants to be in the discussions have knowledge of the meeting.

4. Old Business

2023/24 Daily schedule and trimester information was discussed. Scheduling for all students will be happening over the next few weeks. With the trimester scheduling students have more elective options. Many are excited about the change.

Mr. Olive prepared 2 schedules, one with a daily CCR and one without CCR.

Behavior Update - The current behavior updates show that tardies to school and skipping class are the top 2 behavior issues at this time.

5. New Business

Staffing Allocations were presented to the council Motion to approve the staffing was made by Hayes, seconded by Bratcher and unanimously approved by all in attendance.

6. Next Session: April 13, 2023
