Introduction

Welcome

Thank you for filling the important role of substitute teacher in the Hopkins County Schools. We welcome you as an important instructional partner.

Substitute teaching is a challenging task. From frequent early morning calls, to spending your working day in new and different situations with very little time to prepare, your resourcefulness and organizational skills will be tested. Our community expects the best for the students, including a chance to work with caring and skilled adults, and you have been chosen as one of those individuals.

The purpose of this handbook is to acquaint you with policies and procedures of the Hopkins County Schools that govern and affect your employment as a substitute teacher and give you some basic information that will better allow you to serve the children in a skilled, professional manner.

This handbook is not intended to be, and should not be interpreted as, a contract or a source of any claim or expectation to employment as a substitute. It is not an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern.

Some policies may be associated with specific forms. It is the substitute employee's responsibility to refer to the actual policies and/or administrative procedures for further information.

Copies of specific documents are available at the Central Office. Employees and students who fail to comply with Board policies may be subject to disciplinary action. Policies and procedures also are available online via the District's web site or through this Internet address:

<http://policy.ksba.org/h12/>

Substitutes are expected to be familiar with policies related to his/her job responsibilities.

01.5

School council policies, which are also available from the Principal, may also apply in some instances. **02.4241**

In this handbook, **bolded numerical codes** refer to the Board policy or administrative procedure that addresses a particular item. Substitute employees with questions should contact the school Principal or designee.

District Mission

The mission of Hopkins County Schools: Preparing today's students to succeed in tomorrow's world.

The vision of Hopkins County Schools: Unite as one team to learn and inspire.

Future Policy Changes

Although every effort will be made to update the handbook on a timely basis, the District reserves the right, and has the sole discretion, to change any policies, procedures, benefits, and terms of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The District reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.

If the assignment is to span more than one (1) day, the substitute should request from the Principal the basic format s/he is required to follow in developing a plan for the second and subsequent days.

Classroom Management

Although the following general classroom management guidelines are not intended to be all-encompassing, substitutes are expected to follow them unless otherwise directed by the school administrator:

- Be prepared to make adjustments for any unusual changes in school schedules such as fire drills, altered class schedules or activities for the day. Each room in the school has emergency procedures posted or otherwise made available in case of fire, earthquake, tornado, lockdown or other potentially dangerous situations. Look for this information and review it prior to the beginning of the school day.

GENERAL INFORMATION

- It is the responsibility of the substitute teacher to check with the Principal/designee to determine if any of the day's assigned students have accommodations under an Individual Education Plan (IEP) or 504 plan and implement plan provided.
- Implement drill/evacuation plans.
- Display your name where it can easily be seen by all students. Take time before beginning lessons to tell the class briefly about yourself.
- Let the class know that you will try to follow the normal classroom routine, but also let them know that everyone does things somewhat differently.
- Ask the students questions: their names, classroom rules/procedures. The time spent getting oriented and becoming familiar with the class may make a difference later in the school day.
- Keep a positive attitude. Be positive in your remarks to students. When you are circulating around the room (a proven and effective management technique) comment to students on task.
- Try to be sensitive to differences.
- Any unusual requests from parents or students should be handled by the Principal/designee.
- Correct the day's work when possible. Organize any student papers and label them clearly.
- Write a complete, succinct review of the day's activities. Be sure to indicate portions of the lesson plan that may not have been completed. Mention individual students who may have been particularly helpful; list any problems that may have arisen.
- Leave the classroom in good order.
- Substitutes teachers shall not do the following:
 - ☒ Make/take personal phone calls during class time;
 - ☒ Use the internet for personal use; or
 - ☒ Engage in personal tasks such as reading, knitting, etc.

Hopkins County Schools Substitute Teacher Guidelines

APPLYING FOR A JOB

- All new substitute teachers will be required to apply for a job online. Applications will be reviewed, and the District will select applicants, ~~to be invited to attend a *Sub Training Day* based upon qualifications-~~ Following the training day, you will to be conditionally hired pending completion of paperwork.
- If you are an active substitute teacher in good standing, you will receive a ***Substitute Information Update Form*** via mail in spring to complete and return to the District to indicate your preference for employment the following school year. You will not need to reapply for a job if your status is active.
- If you have a break in service from one school year to the next, you must reapply for a substitute teaching position for employment consideration.

ACTIVE STATUS

- *Hopkins County Schools* requires that each substitute teacher work a minimum of ten (10) days per school year prior to March to remain active. At least one of those days must be worked in the first semester (before Christmas).
- If you do not work at least ten (10) days in the current school year before March, you will receive a letter that notifies you that you will not be re-employed for the next school year. You will be required to re-apply for a job if you wish to return. At that point, you must meet all requirements stated under 'Applying for a Job'.
- If you no longer wish to be on the District sub list, call **Jenny Harris** (825-6100 Ext. 2246) or email jennifer.harris@hopkins.kyschools.us to be removed.

ASSIGNED SCHOOLS

- Substitute teachers can make school selections in ~~ALSO~~ FRONTLINE.
- School Principals may remove your name from their preferred caller lists. If a Principal blocks you from their school, you will not receive calls for that school. A Principal may use their discretion to block substitutes for any reason as it is their job to create a quality and safe environment for all staff and students in their school.

APPENDIX

RETIRED TEACHERS

- When you retire from *Hopkins County Schools*, you may choose to become a substitute teacher at some point during the immediate break of service. You must provide the District with a copy of your daily wage threshold from TRS before you are hired as a substitute teacher.
- If you become a sub during the first year after retirement, you will not be required to ~~attend the *Sub Training Day* or~~ complete the paperwork required of new subs. However, if you have more than a one year break in service from the date of retirement, you must apply online, ~~attend the *Sub Training Day*~~, and complete all paperwork required of new subs.
- If you are a current teacher wishing to become a sub (prior to retirement), ~~upon written recommendation from your last Principal, you will~~ may be hired-transferred as to a sub position upon written recommendation from your last principal without having to attend the *Sub Training Day*. Otherwise, you must apply, be selected for the position, and ~~attend training, complete all other applicable requirements.~~
- You must log into ~~*AESOP FRONTLINE*~~ and mark your non-work days and you can also mark yourself as 'inactive' so you do not receive calls for whatever time period you prefer.
- If you have not accepted a job for the entire year, we will mark you as 'inactive'. You may change that status at any time if you wish to accept calls.
