Student Privacy Rights

PUBLIC COMMENT REQUIRED

KRS 158.189 requires the Board, after allowing public comment at an open meeting, to adopt this Policy (09.141), necessary to protect the privacy rights for students, that at a minimum, does not allow students to use restrooms, locker rooms, or shower rooms that are reserved for students of a different biological sex.

A student who asserts to school officials that his or her gender is different from his or her biological sex and whose parent or legal guardian provides written consent to school officials shall be provided with the best available accommodation, but that accommodation shall not include the use of school restrooms, locker rooms, or shower rooms designated for use by students of the opposite biological sex while students of the opposite biological sex are present or could be present.

Acceptable accommodations may include but are not limited to access to single-stall restrooms or controlled use of faculty bathrooms, locker rooms, or shower rooms.
