Academic Area: Reading

Language Art

Social Studies

Math

Science Fine Arts

Community

Other: _____

Summary of Project (2-3 paragraphs – attach extra sheets as needed):

A Junior Library Guild subscription provides students with access to books from a variety of genres and meet the diverse needs of the student population. Choices are ultimately curated by Mrs. Schlosser, FSHS librarian and provide the students with 6-8 new books each month for a year. This is a great way to supplement other library purchases made and helps to keep the collection up to date with current titles.

Address of School/Organization: 400 South College St; Franklin, KY
