

**Name** Associate Commissioner Butch Cope

**Topic** Attendance on Behalf of KHSAA

**Attendance for KHSAA**

**Meeting\_Session Attended** I was the opening speaker for the Pennsylvania Officials Conference for 900 attendees speaking on the importance of educational based athletics as it relates to officiating.

**General Commentary** PIAA requires attendance at the event to be postseason eligible. They have overall general sessions as well as individual sport breakouts. I sat in on the DQ session and then was asked to share our KHSAA Board Spectator Policy and how that works.
