SNOW AND ICE SAFETY TIPS TO SHARE WITH STUDENTS

DO leave some extra time in the morning to get to your bus stop on time.

DO wear bright clothing so you can be seen in the early morning or late afternoon when the sky is gray. Dress properly for cold, wet weather.

DO look carefully before crossing the street. Make sure there are no cars coming from either direction.

DON'T play in the snow or throw snowballs at the bus or anyone while waiting for the bus.

DON'T stoop down to pick anything up in front of a school bus. If you do drop something, get the bus drivers attention and make him aware that you are picking something up. Make sure you can be seen by the bus driver at all times.

DON'T slide on the snow banks, or ice patches. Someone could slide or fall under the wheels.

DO stand a safe distance from the bus stop. Remember the buses need extra room to stop when there is snow or ice on the road.

DO walk directly away from the bus. Don't linger or play at the bus stop.
