10:00-11:30	Content Planning Time	202	4th Grade Math teachers	Team	• Plan for the next 30 days of instruction
		103	4th Grade Science teachers	Team	• Plan for the next 30 days of instruction
		104	4th Grade Social Studies teachers	Team	• Boost Training at 10:30
			Related Arts	Team	SUPPORTING VOCABULARY ACQUISITION

			teachers		DURING RELATED ARTS CLASSES - Develop a list of words of advanced vocabulary that we could use in all of our classes to help students learn new terms. Think of citizenship terms, collaboration terms, etc. that the majority of students will not be familiar with. - Schedule when these will be taught - 2 words per week. Plan for the next 12 weeks. The terms should be used in ALL related arts classes throughout the week. - Plan for teaching moves that will allow you to incorporate these words.
		104	5th Grade Social Studies teachers	Team	Plan for next 30 days of instruction
		103	5th Grade Science teachers	Team	Boost Training at 10:30
		120	5th Grade Math teachers	Team	Plan for next 30 days of instruction
10:00-11:30	Records Review	110	SpEd staff		
10:30-11:30	Amplify Boost Training	Library/Google Meet	All teachers who use/monitor Amplify Boost	Amplify Rep	- Learn to use reports to provide small group instruction with Tier 2 students. - Determine expectations for small group meetings. - Determine best way to document this for referrals when/if needed.
