

Morningside Elementary School: Yaritza Soto

It is our pleasure to recognize Yaritza Soto as Morningside Elementary School's Student of the Month for January 2024. Yaritza is in Mrs. Fowler's class.

Yaritza has a great attitude and strives to do her best at all times. She comes to school with a smile and has a positive outlook. She has a wonderful work ethic and never gives up even when she's challenged. Her hard work and determination makes her a role model to the students in her class. Others look at her for guidance and as an example because she is able to follow the Guidelines to Success at all times. She always goes above and beyond in anything that she does. Her shining smile brightens everyone's day

Yaritza is also a great teacher helper. She often is the first student to raise their hand and offer assistance. She stands out as an excellent friend to everyone. She has the ability to connect with each of her classmates regardless of their differences. She is a great peer mentor to her fellow EL students in the class and helps them navigate classroom tasks.

According to her EL teacher, Mrs. Odabashian, "Yaritza challenges herself to always be her best. She is quick to help others and is a supportive and caring friend to everyone. She is very respectful and has a positive attitude".

Her ability to make good decisions and her thoughtfulness are a few reasons that make Yartiza so special.

Congratulations Yaritza. We are honored to present him with the Morningside Elementary School's January 2024 Student of the Month. We are all very proud of you!
