

Student of the Month

Daviee Dukes

It is with great pleasure that I get to spotlight Daviee Dukes as Helmwood Heights' Student of the Month. Daviee embodies all the characteristics of a student who upholds Elizabethtown's Tradition of Excellence. She gives 110% in everything she attempts. Her enthusiasm for learning is contagious and she has made our classroom family even stronger.

As a role model student, Daviee is always listening and following classroom rules and procedures. She works hard and I can always count on Daviee to participate in class discussions. She is that one student that every teacher wishes they had in their classroom.

With all that said, it is Daviee's kindness that I most appreciate. She is a true friend to all and is genuinely happy to be at school. She is a complete joy to have in the classroom and I can always count on her big bright smile to make my day.

Daviee is truly deserving of this special recognition and her classmates and teacher are extremely proud of her.
