

**YOUR LOCAL COOPERATIVE
WORKING FOR YOU**

KENTUCKY Early Literacy CEO II Program for Rank Change Overview

What is the Early Literacy CEO II Program?

Do I qualify for a rank change?

Will I earn a degree or certificate?

What is my commitment?

What is the Early Literacy CEO II LETRS program?

- A cost effective way for KY educators to earn a rank change

- A partnership through LETRS, your local cooperative, and EPSB

- A cohort model with an individual mentor to support each participants professional learning journey through a virtual and collaborative approach.

- Job-embedded professional learning

Do I qualify for a rank change?

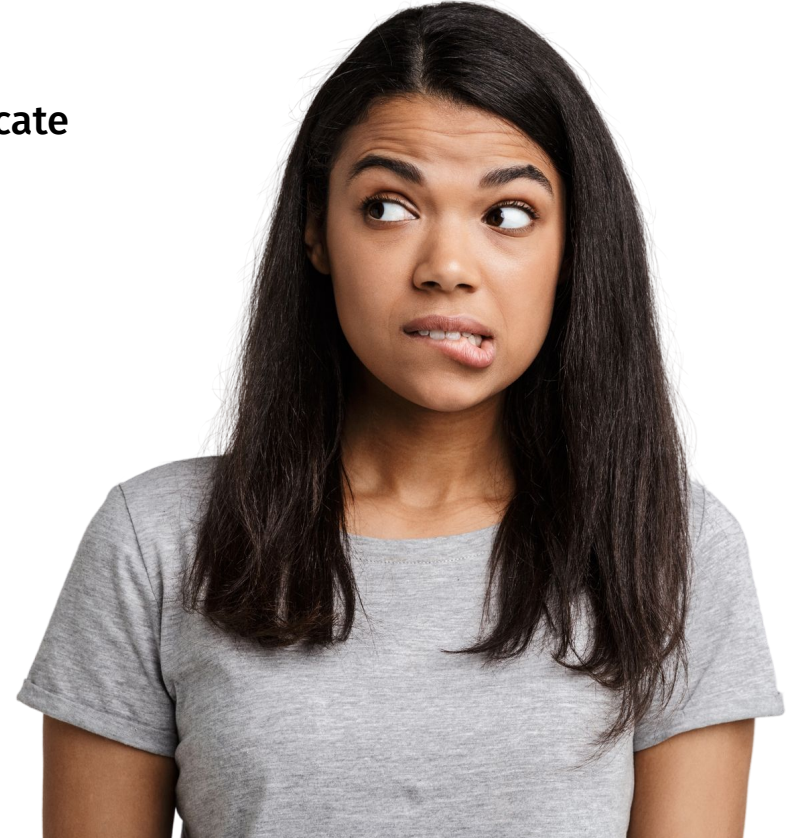

YES

- If you currently hold a Rank III or Rank II certification
.....
- Have not completed a rank change previously through a CEO program
.....
- Are not currently enrolled in another CEO II Rank Change program such as Bloomboard
.....

Am I a good candidate for an Early Literacy CEO II Rank Change?

- **If you are enrolled in Cohort 1 of the Kentucky Reading Academies LETRS Program**
 - **Have completed Unit 1 & 2 with a "Certificate of Mastery"**
 - **On target to complete Unit 3 on time**
 - **Have attended the required live sessions provided by LETRS**
- **If you plan to enroll in Phase 2 in August 23 and commit to the requirements!**

What the program is

NOT

A super easy way to get a Rank Change

A “class” in the traditional sense

However, it **IS**...

Convenient

Collaborative

Job-embedded Professional Learning

Will I earn a degree or certificate?

At the completion of the
program, you will earn a
Rank Change that will be
added to your certificate

What is my commitment?

TIME

2 year program

Previous work this year with LETRS will be accepted toward your Rank Change

1 Meeting with your Cooperative Learning Group after each LETRS Unit and Capstone Presentation

CAPSTONE COMPONENT

CAPSTONE:

- An on-going process where the participant will be asked to continuously synthesize new learning in Structured Literacy with:
 - Screener, formative and summative assessment data for all students
 - The activities and strategies implemented with the whole class
 - The portfolio documenting the growth of the 6 focus students through the Bridge to Practice work (3 students per year)
 - classroom , school, district, regional, statewide and national dataSynthesis of this information will be used to identify a problem of practice grounded in literacy and related to the Science of Reading. Using this knowledge, research and experience, participants will present a potential solution to the problem of practice and address how they will lead the effort to transformation toward a more Structured Literacy approach.
- Based on your work with the Bridge to Practices
 - Identify a Problem of Practice
 - Develop an Action Plan to address the need
 - Gather data (benchmark, state, classroom)
 - Organize and Analyze the data
 - Interpret findings and implement instructional plans

CAPSTONE COMPONENT

THE PRESENTATION:

- 15-minute presentation of your Capstone Project
 - May 24 (at the completion of the LETRS professional learning initiative)
 - Presented virtually in a small group setting
 - Feedback will be given using the CEO II LETRS Capstone Rubric

EXITING THE PROGRAM

- Mentor reviews submissions and capstone
- Completion communicated to Ed COOP
- KEDC, WKEC or NKCES files paperwork with EPSB for rank change
 - Participant completes paperwork as required by EPSB

CEO II Rank Change Programs
offer flexibility and huge savings to
those interested in gaining a Rank
Change through your local
cooperatives.

Thank you!

Please reach out if you have any questions!
