

April 2024 Panther Academy

Student of the Month

Georgia Guandique

Mrs. Taylor shared that Georgia exemplifies our Guidelines for Success in the following way:

Georgia is a wonderful student and an excellent role model for her classmates! She always makes good choices, follows the rules and gives everything 100%. She is an excellent role model for someone who displays Panther Academy's Guidelines for Success.

Promote responsibility: Georgia is a very responsible student. She is trustworthy, very dependable, and will do things independently without being asked or reminded. She completes her work on time and returns it to school in a timely manner.

Act respectfully: Georgia is very respectful. She is always very polite when talking to a friend or an adult. She waits patiently for her turn, raises her hand, and uses her manners. She always has kind words to say.

Work Cooperatively: Georgia works cooperatively with every student and in every situation. When we participate in activities requiring partners, she is willing to work with anyone she is partnered with, always takes turns and shares. If there is a problem with friends playing together, she is great at finding solutions to solve the problem so that everyone can play/participate.

Show Kindness: Georgia is kind to everyone. She includes everyone and speaks only kind words to classmates and teachers.

I have loved watching Georgia grow as a student this year! She has a very bright future ahead of her!
