

Assessment of Student Progress

~~The Board shall determine which standardized test(s) shall be administered, and at what grade levels. Any additional testing shall be at the option of each school council within the existing school budget.~~

TEST RESULTS

~~A District Test Results Committee, chaired by the Supervisor of Instruction, will determine how and when the results will be shared with the public. Test results shall then be shared with students, parents, teachers, school council members, Board members, Central Office administrators, and the community.~~

REVIEW OF ASSESSMENT DATA

By January 1 of each year and in keeping with the improvement planning process and timeline, the school council shall review student assessment data provided annually by the Kentucky Department of Education. After reviewing the data, the council shall adopt, modify, or revise the school's plan to assist each student in making progress toward statutory goals. This process shall address achievement gaps between various groups of students as required by law. In addition, the plan shall be submitted to the Superintendent and Board for review. In a school without a council, the Principal shall complete the review and planning process with the involvement of parents, faculty, and staff.

PROFILE REPORTS

By October 1, each school Principal shall complete the school profile report, have it signed by members of the school council, or Principal if no council exists, and Superintendent, and submit it to the Kentucky Department of Education. The report shall be transmitted electronically with the original maintained on file at the Board office and available to the public upon request.

INDIVIDUAL REPORTS

Each year, an individual student report shall be provided to parents of students in grades three through eight (3-8) in accordance with statutory requirements. Teachers and parents/guardians of each primary student shall be informed of results from reading and mathematics diagnostic
