The Main Event

What we learned:

- We served over 210 people
- Appreciation for food service workers
- Appreciation for our cafeteria ladies
- Bonded over the event
- All tables were numbered and we had our assignments
- We all were leaders for the night
- We needed much more practice at serving
- We needed to start earlier with the food preparation
- We didn't stay focused in our assignments
- We didn't stay calm and stop yelling
- More help for clean up
- Need leaders for each committee

Overall Experience:

- More Practice with help us to do a better job next time
- Get donation request out earlier
- Get Posters and flyers up sooner
- Make more specific assignments for each person, and rotate jobs, too
- Try to relax and have more fun with the event.
- Stay positive
- Food Service is HARD
- Get Ready for the April Student Showcase Night!
