2:05-3:00 **SESSION 4** August 16, 2021

#FTISPD21

RM	SESSION
Virtual	*Personalizing with Nearpod Secondary Focus Kim Garcia Using the valuable resources teachers already have to create lessons that are highly personalized to their students as a whole or groups of students with specific learning needs. Determine how to build strong lessons using the formative assessments and multimedia that will enrich every learning experience. Learn how to share lessons with others using the School Library in Nearpod. Bring your favorite PowerPoint or Google Slides presentation or customize a lesson from the Lesson Library that you will use with your students. <u>This is a Distance Learning Session - ZOOM Link click here</u> DOUBLE SESSION
Collab Studio by library	2nd Grade Meetup Stephanie Perkins Second grade teachers and UA teachers from across the district are invited to meet to collaborate on the new 2nd Curriculum Framework details.
207	COVID Discussion Round Table Jamee Flaherty Do you have questions about COVID protocols for the 2021-2022 School Year? Come ask them at this informal discussion. REPEAT
208	Time Out Mindfulness Heidi Vermell This module will teach mindfulness techniques that can be utilized for your own emotional well being as well as be taught to your students to help them better understand and control their emotional responses. REPEAT
209	Assessment and Accountability Update for 2021-2022 Bill Bradford Join Bill Bradford, the District Assessment Coordinator (DAC), for an update regarding assessment and accountability in 2021-2022. Information Items will include Overview and Reporting for 2020-2021; Assessments for 2021-2022; Accountability Changes for 2021-2022 (fall 2022 reporting); and, Other Regulatory Amendments. REPEAT
210	Helping each student ACE the ACT: Tips, Tricks, and Strategies for All Content Area Katie Stewart and Angie Gintonio Join us for an overview of information we gleaned from an ACT training course. We will discuss the basics of the test, as well as strategies to help students on the reading portion of the test - which applies to multiple content areas.
213	Alternative Assessment Training Sommer Rosa & NKCES Double session, required for SPED

RM	SESSION
215	HMS Science Collaboration Susan Anderson Grades 6-8 science teacher should attend this planning session
306	HHS Science 3D Assessments and Embedded Practices Part 2 Robin Kemp and Kevin Listerman This is Part 2 of a collaborative work session for HHS Science Teachers to develop 3D assessments and embedded practices.
308	1st Grade Meetup Casey Gesenhues This session will provide First Grade teachers in the district to collaborate on proposed report card revisions.
309	QFT & Inquiry in Social Studies Kelly Pratt-Booth Consider how to use the Question Formulation Technique to help students write quality compelling and supporting questions to spark inquiry.
310	Kindergarten Meetup Alicia Wittmer District kindergarten teachers gather to brainstorm and plan with the newly released scope and sequence documents.
311	Schoology Hone your Craft Heidi Neltner Let's talk about your favorite tips and tricks for using Schoology - explore linking classes, creating a user friendly environment, customizing it for a better experience and new features under assessment tools. RESOURCES
313	Emotional Check-Ins to Build Connections in the Classroom Kristen Gerrein and Rachel Caswell Routine emotional check-ins not only build connections, but also build social-emotional health for all students. In this session we will discuss various techniques that span all grade-levels and help to build lasting relationships among students and staff. You will walk away with ready-to-use interventions to help you keep a pulse on your students' physical, emotional, and mental wellness.
315	Adobe Education Exchange - classes and resources to help with using Adobe Creative Tools in your classes Jason Gay In this workshop session, participants will navigate The Adobe Education Exchange. This is a free learning platform and community, with workshops, classes, and resources, all designed by educators for educators, to ignite creativity in the classroom. There are lessons, training, and concepts shared by global educators to add to any teachers resource lists. I will also cover the professional development options to further your skill set with using Adobe Creative Tools.
