Upon receiving this report, the Board may, at such time as it deems proper and after compliance with applicable state¹ or federal regulations, authorize the disposal of school properties through closed sealed bids, public auction, or sale for at least the fair market value established by state certified appraisal. The Board reserves the right to reject any and all bids.

DISPOSITION OF REAL PROPERTY

(b) By accepting sealed bids; or

(c) By setting a minimum acceptable price, which is at least the fair market value of the property.

Dependent upon the method of disposal above, the District shall follow the requirements specified in 702 KAR 4:090.

CONFLICT OF INTEREST

If the third party has any financial interest in the transaction or adjacent property beyond a standard commission, the third party shall publicly disclose his or her conflict of interest to the Board and the conflict shall be spread on the Board's meeting minutes. The Board shall provide minutes of any such meeting to the Department when requesting approval.²

First priority shall be given to eligible students in the free or reduced lunch program, and they or their parent/guardian must request the property in writing.

Home/Hospital Instruction

PURPOSE

Home/hospital instruction provides educational services to students who cannot attend school for extended periods due to temporary or recurring conditions, including fractures, surgical recuperation, or other physical, health, or mental conditions. An "extended period" refers to an absence for more than five (5) consecutive school days.

For purposes of KRS 157.360, a student who receives home/hospital instruction for a minimum of two (2) instructional sessions per week, with a minimum of one (1) hour of instruction per session, by a certified teacher provided by the Board, shall equal the student attending five (5) days in school. An instructional session may be delivered in person, electronically, or through other means established in regulation. A parent/guardian or responsible adult must be present in the home/hospital room during the time the home/hospital teacher is present or is otherwise delivering instruction.

ELIGIBILITY

A student in the District is eligible to apply for enrollment in a home/hospital instruction program if a licensed physician, advanced registered nurse practitioner, psychologist or psychiatrist, or public health official certifies:

1. The student will be absent from school more than five (5) consecutive days due to a physical, health, or mental condition.
2. The student does not have a communicable disease that poses a serious health threat to a home/hospital teacher providing regular visitation. (Students with a communicable disease may receive instruction through utilization of telephone services.)

Determination of a student's eligibility and provision of services for home/hospital instruction shall be made in compliance with applicable statutes and regulations. In accordance with KRS 159.030(2), the Board shall require evidence for students exempted from school attendance more than six (6) months. An exemption shall be reviewed annually.

At any time based on changes in the student's condition, the home/hospital review committee may schedule a review of the student's continued eligibility for home/hospital instruction. [Eligibility for home/hospital instruction shall cease for students placed by the review committee if the student works, plays sports, or participates in extracurricular activities. For students with a 504 plan, eligibility for home/hospital instruction shall not cease if the student works, plays sports, or participates in extracurricular activities if participation is consistent with the student's 504 plan.](#)

The Admissions and Release Committee (ARC) shall determine placement in home/hospital instruction for a student with disabilities. The 504 Team for a student may facilitate submission of an application to the review committee.

Home/Hospital Instruction**SECONDARY STUDENTS**

A high school student placed on home/hospital instruction for extended periods may carry all appropriate credits during the first semester of placement. Except for students with an Individual Education Plan (IEP) or a 504 plan, the number of credits to be carried during all subsequent semesters of placement shall be determined on a case-by-case basis by the review committee, based on the following criteria:

1. The student's ability to work independently during extended periods without direct assistance.
2. The student's capacity to complete assignments within a reasonable time frame.
3. The likelihood that the student will be able to complete course criteria required for graduation, as required by the Kentucky Academic Standards.
4. When considering the student's condition, should s/he take a full or reduced course load? If a reduced course load is appropriate, the committee shall determine the number of courses the student may take.

STUDENTS WITH DISABILITIES

Based on documentation of student need, including medical or mental health evaluation information, a student with disabilities may be placed in the home/hospital instructional program if his/her individual education plan (IEP) specifies such placement is the least restrictive environment for providing services. The ARC Chair shall provide written notice of eligibility and documentation to the District Director of Pupil Personnel for purposes of program enrollment.

The Admissions and Release Committee (ARC) or 504 Team shall determine on a case-by-case basis the type and extent of home/hospital services for a student, including the number of credits a student at the secondary level will be permitted to earn while on home/hospital instruction.

The District shall collaborate with the Cabinet to ensure immediate and appropriate enrollment of the child and immediately contact the student's previous school for relevant records. The previous school shall provide the new school records within the student information system maintained by the Kentucky Department of Education by the end of the working day on the day of receipt of a request. If a record provided to the new school is incomplete, the previous school shall provide the completed record within three (3) working days of the original request. Remaining records shall be provided within ten (10) working days of the request.

The Superintendent shall appoint a Foster Care Liaison to coordinate activities relating to the District's provision of services to children placed in foster care, including transportation services, when the District is notified by the Cabinet for Health and Family Services in writing that the Cabinet has designated its foster care point of contact for the District. The Superintendent may appoint the District Foster Care Liaison prior to such notice from the Cabinet.

Admissions and Attendance**CHILDREN IN FOSTER CARE (CONTINUED)**

Children in foster care, including preschool aged children if the District offers a preschool program, shall be eligible to attend their “school of origin” unless a determination is made that it is not in the child’s best interest. Such determination will be made in collaboration with the child welfare agency. Dispute resolutions shall be handled by all agencies involved in the determination of the foster child’s placement.

When possible, a child exiting the foster care program during the school year shall be allowed to complete the school year in the school of origin.

BEST INTEREST OF THE CHILD

Determining the best interest of the child takes into consideration the following factors, including but not limited to:

- The benefits to the child of maintaining educational stability;
- The appropriateness of the current educational setting;
- The child’s attachment and meaningful relationships with staff and peers at the current educational setting;
- The influence of the school’s climate on the child;
- The safety of the child; and
- The proximity of the placement to the school of origin, and how the length of a commute would impact the child.

Upon the determination that changing a child's school of enrollment is in the best interest of the child, the Cabinet, any applicable child-caring facility, child-placing agency, school, districts, and the child's state agency caseworker shall collaborate to ensure the immediate and appropriate enrollment of the child;

1. The child's state agency caseworker shall immediately contact the receiving district to inform the district of the pending enrollment changes.
2. The child's state agency caseworker or child-caring facility or child placing agency case manager shall either accompany the child and the foster parent to the new school to enroll the child or contact applicable staff at the new school via telephone during the day of enrollment, to assist with the enrollment, to share information relating to the child's unique needs and prior experiences that may impact their education, and to identify and prevent disruptions in any instructional or support services that the child may have been receiving prior to that time, including but not limited to medical and behavioral health history and individual service plans.⁵

IMMIGRANTS

No student shall be denied enrollment based on his/her immigration status, and documentation of immigration status shall not be required as a condition of enrollment.

The District may provide an approved high school program to a student who is a refugee or legal alien until the student graduates or until the end of the school year in which the student reaches the age of twenty-one (21), whichever comes first.

Admissions and Attendance**NONRESIDENTS**

Nonresident pupils may be ~~enrolled~~ ~~inadmitted to~~ the District's schools in accordance with Board ~~policies~~ ~~policy~~ 09.1222, 09.124, and upon approval of the Superintendent. Once a nonresident student is enrolled for the academic year, the student may not be dismissed during that academic year without applicable due process.³

~~Written nonresident pupil contract information shall be kept on file at both the attending and resident districts.~~

Nonresident students designated as homeless or foster children may be required to be enrolled consistent with the “best interest of the child” or “school of origin” requirements under the Every Student Succeeds Act (ESSA) and the McKinney-Vento Act as amended by ESSA.

NON-IMMIGRANT FOREIGN STUDENTS

Non-immigrant foreign students qualifying for F-1 immigration status or who obtain an F-1 student visa may be admitted to the District based on the following guidelines:

1. These students shall not be permitted to attend any publicly funded adult education program.
2. These students may be permitted to attend in grades nine through twelve (9-12), but not at earlier grade levels.
3. As required by law, these students shall pay a tuition fee equal to the full, unsubsidized per capita cost to the District for providing education to the student for the period of attendance.
4. The period of attendance shall not exceed twelve (12) months.

These requirements do not apply to immigrant students residing in the District or foreign students in any other immigration status, including exchange students.

EXPELLED/CONVICTED STUDENTS

The parent, guardian, Principal, or other person or agency responsible for the student shall provide to the school prior to admission, a sworn statement or affirmation concerning any of the following that have occurred in or outside Kentucky:

1. If a student has been expelled from school; or
2. If a student has been adjudicated guilty/convicted of, homicide, assault, or an offense in violation of state law or school regulations relating to weapons, alcohol, or drugs.

Assault shall mean any physical assault, including sexual assault.

The sworn statement or affirmation shall be on a form provided by the appropriate state agency and shall be sent to the receiving school within five (5) working days of official notification that a student has requested enrollment in the new school.⁴

Admissions and Attendance**EXPELLED/CONVICTED STUDENTS (CONTINUED)**

If a student is suspended or expelled for any reason, or faces charges that may lead to suspension or expulsion, but withdraws prior to a hearing from any public or private school in Kentucky or any other state and then moves into the District and seeks to enroll, the District shall review the details of the charges, suspension, or expulsion and determine if the student will be admitted, and if so, what conditions may be imposed upon the admission. Prior to a decision to deny admission, the District shall offer the student, parent/guardian, or other persons having legal custody or control of the student a hearing before the Board.

Absences and Excuses

Pupils are required to attend regularly and punctually the school in which they are enrolled. Recording of absences and tardies shall be made in compliance with the requirements of 702 KAR 7:125.¹

DETERMINATION OF ABSENCE

Determination of tardiness versus half-day/full-day absence shall be made in compliance with procedures developed by the Superintendent. The Principal or designee shall determine if a tardy or absence is excused or unexcused.

TRUANCY DEFINED

Any student who has attained the age of six (6), but has not reached his/her eighteenth (18th) birthday, who has been absent from school without valid excuse for three (3) days or more, or tardy without valid excuse on three (3) days or more, is a truant.

Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first (21st) birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant.

Any student who has been reported as a truant two (2) or more times is an habitual truant.

For the purposes of establishing a student's status as a truant, a student's attendance record is cumulative for an entire school year. When students transfer from one Kentucky district to another, attendance information from the previous district shall become part of their official attendance record for that school year.

EXCUSED ABSENCES

An excused absence or tardiness is one for which work may be made up, such as absences due to:

1. Death or severe illness in the pupil's immediate family;¹⁵
2. Illness of the pupil, including mental or behavioral health;^{15*}
3. Religious holidays and practices, (prior approval of Principal or designee required);¹⁵
4. Medical and dental appointments which cannot be scheduled outside regular school hours;¹⁵
5. College visitations by seniors, as approved in advance by the Principal;¹⁵
6. One (1) day for attendance at the Kentucky State Fair;¹⁵
7. Documented military leave;¹⁵
8. One (1) day prior to departure of parent/guardian called to active military duty;¹⁵
9. One (1) day upon the return of parent/guardian from active military duty;¹⁵

Absences and Excuses**EXCUSED ABSENCES (CONTINUED)**

10. Visitation for up to ten (10) days with the student's parent, de facto custodian, or person with legal custody who, while on active military duty stationed outside of the country, is granted rest and recuperation leave;⁵

11. Ten (10) days for students attending basic training required by a branch of the United States Armed Forces;⁵ ~~or~~

~~11.~~ 12. Students participating in any of the page programs of the General Assembly;² or

~~12.~~ 13. Other valid reasons as determined by the Principal or designee, including trips qualifying as educational enhancement opportunities.

Students shall be granted an excused absence for up to ten (10) school days to pursue an educational enhancement opportunity determined by the Principal to be of significant educational value.

This opportunity may include, but not be limited to, participation in an educational foreign exchange program or an intensive instructional, experiential, or performance program in one (1) of the core curriculum subjects of English, science, mathematics, social studies, foreign language, and the arts.

Unless the Principal determines that extenuating circumstances exist, requests for date(s) falling within State or District testing periods shall not be granted. The Principal's determination may be appealed to the Superintendent/designee whose decision may then be appealed to the Board under its grievance policy and procedures.

Students receiving an excused absence under this section shall have the opportunity to make up school work missed and shall not have their class grades adversely affected for lack of class attendance or class participation due to the excused absence.

*After a total of ten (10) days of absence due to illness, students are required to present a written statement from a physician for each additional absence for the school year in order to be excused.

Exception to 10-absence Rule: Parents/guardians of students with a chronic illness or disability shall notify the school in writing, accompanied by a physician's verification. Special consideration may also be considered for (1) death or severe illness in the immediate family or (2) required court appearances.

All other absences and tardies shall be considered unexcused absences for which no make-up of work shall be allowed.

NOTES REQUIRED

For each absence or tardy, students shall be required to present written and dated excuses which have signed by their parents in order for the event to be considered excused. At the discretion of the Principal/assistant Principal/Director of Pupil Personnel, a physician's statement may be required for verification of illness.

Absences and Excuses**SUSPENSIONS**

Students who have been suspended shall not be allowed to make up daily work, tests or quizzes, unless, as determined by the Principal/designee, they are permitted to complete it either during or through Saturday detention(s). Each school shall set standards for determining when students will be permitted to attend Saturday detention to make up work.

Students who have been suspended may make up end of grading period or semester exams at a later date as arranged by the Principal or assistant Principal. Any long-term project due on a date during the suspension shall be accepted on the first day back to school for less than full credit.

TARDINESS

For students in primary school through grade five (P-5), the Principal shall notify parents when their child has been tardy more than three (3) times during the school year.

Students in grades six through eight (6-8) will be subject to consequences outlined in the Highlands Middle School Discipline Code for each unexcused tardy. Consequences will begin with demerits, progress to detentions, and may include assignment to Alternate School or Saturday Detention if the problem persists.

Students in grades nine through twelve (9-12) who accumulate three unexcused (3) tardies during the school year shall be subject to consequences outlined in the Highlands High School Discipline Code for each unexcused tardy.

ATTENDANCE AWARDS

Under procedures developed by the Superintendent, the Principal shall recognize students who have been in regular attendance during the entire school year.

Even though they are granted an excused absence, students shall be counted absent for the purpose of calculating average daily attendance and determining recipients of attendance awards.

Tuition

FEE TO BE CHARGED

The Board may charge a fee, according to a schedule adopted by the Board, for each student attending its schools, whose parent is not a bona fide resident of the District.¹

According to a schedule adopted annually by the Board, nonresident students admitted to the District's schools shall be charged a tuition fee.⁺

CRITERIA

Non-resident tuition students are those students who do not reside in the District's jurisdictional area. Non-resident tuition students may be ~~enrolled~~accepted provided that the student meets the established criteria for acceptance. Criteria includes:

1. Space availability: projected enrollment for the school and/or grade that the tuition student seeks to attend does not exceed state guidelines for maximum class size;
2. Academics: The Superintendent/designee shall review the applicant's academic performance data based upon student transcript and standardized test scores that are generally accepted and recognized under state guidelines in order to determine if the applicant is at peer level for the grade to which he/she is applying. The applicant's academic record shall be reviewed in comparison to existing academic performance data of District students in order to reasonably project whether the student is at peer level at the school;
3. Behavior: The student must not have a criminal record or been suspended or expelled from the sending school during the past year. Other behavioral infractions, as demonstrated on the student's overall school record, may, in the discretion of the Superintendent/designee, disqualify the student from being accepted as a tuition student;
4. Good Standing: Tuition students must be in good standing with their sending school or school district with respect to attendance. Students with histories of absenteeism, tardies, or disrespectful actions towards teachers and/or administrators may in the discretion of the Superintendent/designee, be disqualified; and
5. ~~Reciprocal Agreement: The student's sending school or district of residence has agreed to enter into a reciprocal agreement with the Board for transfer of state funds; and,~~
6. Tuition: Timely payment of tuition fee as determined by the Board by the student's parent, guardian, or custodian.

Tuition

CRITERIA (CONTINUED)

In addition to the above-listed criteria, the Superintendent/designee may consider the course and conduct of the student and members of the student's family with the student's sending school and/or school district or school administration. "Course and conduct" in this section generally refers to any actions which can reasonably be deemed disruptive to the school or District administration; hostile, combative conduct or communications; or conduct or communications which are disrespectful, false, defamatory, misleading, or threaten or endorse violence and/or illegal or inappropriate action towards any school personnel, students, or the board.

PRIVILEGE

~~Enrollment Acceptance~~ and attendance at the District as a non-resident tuition student is a privilege and not a right. No applicant has a right to ~~enrollment acceptance~~ as a non-resident tuition student, ~~and a non-resident tuition student does not have a right to continued enrollment once accepted.~~

YEARLY REVIEW

Non-resident tuition students, if ~~enrolled accepted~~, are admitted for one (1) school year only. At the end of the school year, the Superintendent/designee shall review the overall performance of the student, including, but not limited to, the student's academics and behavior to determine continued enrollment. At this time, the Superintendent/designee shall also evaluate the course and conduct of the student, student's parent, custodian or guardian with the school and the District and its administration and personnel to determine if continued enrollment of the student as a non-resident tuition student should be terminated the next academic year. "Course and conduct" in this section generally refers to any actions the District deems disruptive to the school or District administration; hostile, combative conduct or communications; conduct or communications which are disrespectful, false, defamatory, misleading, or threaten or endorse violence and/or illegal or inappropriate action towards any school personnel, students, or the Board.

~~If at any time during the school year problems develop due to space availability, the student experiences academic or behavioral problems, the student or members of the student's family engage in activities which cause disruption in or about the school, or if tuition is not timely paid, then District may at its sole option terminate the non-resident tuition student's enrollment with a pro-rata refund of tuition if appropriate.~~

TRANSPORTATION

The District shall not provide transportation services to and from school for non-resident tuition students.

PRESCHOOL TUITION

Resident preschool-aged children who are not otherwise determined eligible for preschool will be admitted on a limited first come, first serve basis as space allows and pending the completion of a tuition agreement.

Nonresident children of District employees may be considered for placement in the program pending completion of a tuition agreement and availability of space.

Tuition**TUITION PAYMENTS**

Tuition fees for the year are due on the first day of school. The Assistant Superintendent for Pupil Personnel Services will consider written requests for monthly tuition payments. If granted, tuition payments will be due on the first day of each month during the fall semester. All tuition fees shall be paid in full prior to the beginning of the second semester.

If a student enrolls in the District or becomes a nonresident during the fall semester, the above payment procedure shall apply. If a student enrolls or becomes a nonresident during the second semester, tuition fees shall be paid in full within fifteen (15) school days.

Failure to meet the deadlines for payments shall result in nonresident students being withdrawn from the District.

If the full tuition cost has not been paid by the last day of the school year, the assistant Superintendent for Pupil Personnel shall take the following actions:

1. Notify the parent in writing, with return receipt requested, of the amount due and that such payment must be paid within ten (10) days or action will be taken in Small Claims Court.
2. Initiate court action if full payment is not received within ten (10) days.

REFUNDS

Under procedures developed by the Superintendent, nonresident students who become legal residents of the District during the semester for which tuition has been paid in advance shall have refunded to them a prorata portion of the tuition.

NOTICE TO PARENTS

The Assistant Superintendent for Pupil Personnel Services shall mail a copy of this policy to all parents of nonresident pupils.
