We picked our business  
from the list.

We worked together on an idea.

## Art Around Town

We created our art and made  
improvements to make it just right..

# Art Around Town

# Community Weaving

T-shirts were donated by Moyer families, sorted and cut into strips and the weaving began!

# Weaving

The students started working together as partners, some working under the table.. Soon the community became involved as they added pieces after school, during basketball games on the weekend and even during recess.

*Art brings people together.*
