

OLDHAM COUNTY BOARD OF EDUCATION

CONCERN

Consider Approval of Project Initiation and Architect/Engineering selection for the Annex & Transportation Resurfacing Project.

DISCUSSION

The project requires the assignment of a design professional. Licensed architects and/or engineers are assigned to all projects that construct new buildings, modify, renovate, or construct additions to existing buildings. The architect/engineer is responsible for the proper preparation of all plans, specifications, estimates and periodic inspections during the execution of the construction contract. The consultant being recommended for the Annex & Transportation Resurfacing project is Heritage Engineering LLC.

RECOMMENDATION

Approve the selection of Heritage Engineering, LLC for the Annex & Transportation Resurfacing Project and hereby authorize the Director of Facilities Management to execute the necessary documentation.

On a motion by _____, seconded by _____, the Board approved the selection of Heritage Engineering, LLC for the Annex & Transportation Resurfacing for Project and hereby authorize the Director of Facilities Management to execute the necessary documentation. (,)
