DATE: October 22, 2025

SUBJECT: Permission to Advertise for Bid

We are requesting permission to advertise for bids for mowing contracts for the calendar year 2026. We have reached the max number of renewals on the previous contract. Advertisements will be placed in area newspapers and online to ensure adequate response from vendors. There will be adequate time to advertise and allow vendors to tour the different locations they are asked to bid on prior to the bid opening date.

Thank you
