

DECEMBER

STUDENT OF THE MONTH

PANTHER ACADEMY

Shiloh has been such a joy to teach the last few months. Shiloh exemplifies what a star student would be in the dictionary! Demonstrating "green choices" daily and setting an example for her fellow classmates comes very naturally for her. She not only wants to please, but she also wants to do what's right, even when no one is looking.

Shiloh also exudes confidence in academics. She gets so excited when she is called on to tell her classmates and myself, "how did you figure that out," or "what do you notice?" She also sees patterns at a different level that sometimes, I get so tickled that she was able to see an answer in such a different way that most 5 year olds do not. When I smile and tell her that I don't think that I would have known that when I was in kindergarten. Sometimes, she even makes me look at something twice because it wasn't the way I was thinking. She smiles so big and just gets tickled!

Shiloh brings so much "happy" and "sunshine" to our classroom. I am thankful every day for having this sweet girl as part of my classroom family!

DECEMBER

STUDENT OF THE MONTH

MORNINGSIDE ELEMENTARY SCHOOL

It is Morningside Elementary School's honor to recognize Miyah Williams as student of the month for December 2025. Miyah is a student in Mrs. Ivania Reeves' second grade class.

Miyah consistently represents herself, her school, and her family with honesty, cooperation, friendliness, integrity, and perseverance. There isn't a day when she isn't leading by example. Even when things around her become chaotic, she remains calm and steady. She listens intently in class, follows all classroom and school rules, and always puts forth her very best effort. She helps others without being asked and shows kindness in everything she does.

When she doesn't understand something, she isn't afraid to ask questions, seek help, and keep practicing until she succeeds. Her determination and positive attitude make her a role model for everyone around her.

We are so proud of Miyah Williams and all she brings to our classroom community. Congratulations on being Morningside Elementary December Student of the Month!

Alex Shearer: Skyler is a very bright student and a pleasure to have in class. She is always "upbeat" and even on days you can tell she is tired, she manages to produce a smile and do her best.

Coach Zoeller: Skyler was always an exceptionally detailed player and teammate. She cared about her classmates and teammates. Skyler has high standards and is a wonderful person to coach and have at Etown HS! Skyler everyday displays what a Panther is and will be a leader in the future. Congrats Skyler!

Mr. Parsons: Skylar is an amazing young lady who has a tremendous work ethic. I was lucky enough to coach her on the field and there was never anyone who was gonna cut work her. She is now my student aide, and she doesn't hesitate to come in each morning with a great attitude and willingness to help in any way she can. Well deserved!

Mr. Bowman: Skyler is an excellent teacher aide for Mr. Parsons in 2nd Period. She answers all phone calls, grades work and assists students when needed. She is also a very well mannered student.

JAY TUNNELL

Jay,

Congrats on being named TK
Stone Middle School's
Student of the Month!

T.K. STONE MIDDLE SCHOOL

Jay Tunnell is a valued part of our T. K. Stone family. He brings a smile to many as he walks through the halls and shares kindness wherever he goes. Jay has grown so much as a student since he has been at TKS.

Jay is an active member of our Gaming Club. He loves to be a part of this club because he can participate in his favorite pastime, which is gaming. Jay also enjoys chilling and listening to music. Jay's favorite class is hard to choose, because he loves them all, but Mr. Price's Automation and Robotics is probably his favorite because he learned how to build a 3D model.

Jay's role model is his mother because she takes care of him by herself. In the future Jay would like to be a police officer so that he can help others.

Jay Tunnell is the sweetest soul! He always waves in the hallway and never fails to crack a smile! -Ms. Bradley

When Jay came to TK in 6th grade, he was very shy and reserved. Jay did not like speaking up in class or talking much at all. Now, he is able to collaborate with peers, answer questions, and set a good example for fellow Panthers. Jay is always kind to everyone he meets and is very respectful to his teachers. This year, Jay tried out and made the Archery team at TK. I am very proud of how far Jay has come since being at TKS. Mr. Tefft

Jay is an excellent student who always brings a positive attitude and a strong work ethic to class. -Mr. Conner

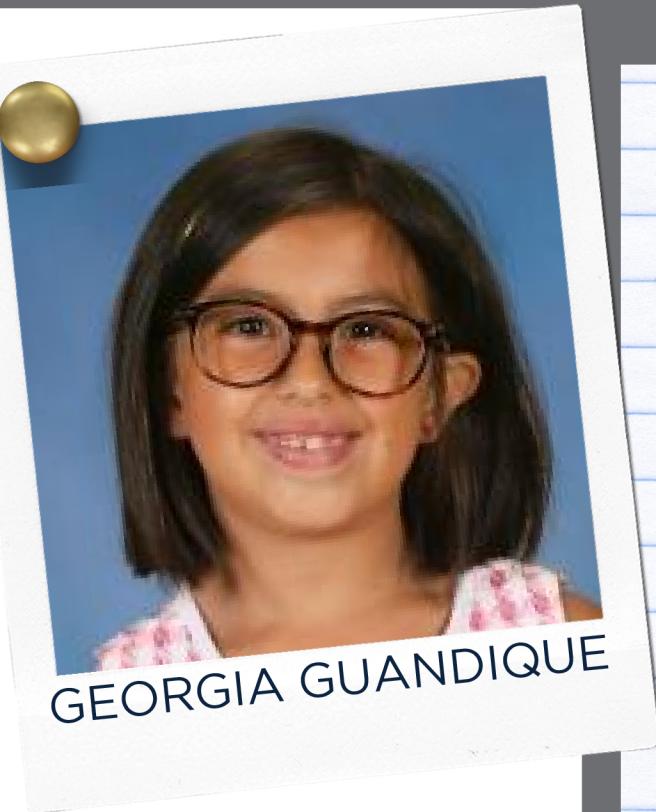

Jay is such a fun student to have in class! He is so friendly and hardworking! Jay is also a student who makes all students feel welcome. I appreciate his hard work in class and love his joyful spirit! -Ms. Thomas

HELMWOOD HEIGHTS ELEMENTARY SCHOOL

Georgia is our December Student of the Month because she truly embodies kindness, gratitude, and positivity in everything she does. She is the sweetest, most thoughtful soul—always doing the right thing, helping others, and treating everyone with compassion. Georgia is incredibly bright, a strong reader, and loves exploring new ideas and stepping outside her comfort zone with creativity and confidence. She is a wonderful friend who sees the best in everyone, no matter the situation, and her joyful spirit lifts up our whole classroom. And of course, she does it all with the best fashion sense! We are so proud of Georgia and all she brings to our class!

-Mrs. Fulkerson (2nd Grade Teacher)

Georgia is a spunky, fun loving girl who leads with grace and empathy. It is not surprising to me that she is December's student of the month. In the classroom, she is focused and respectful. She is a little perfectionist that is always striving to be better. Georgia is loving and a great friend to everyone. Her creativity is impressive and I always looked forward to seeing her writing and art projects. There is no doubt that Georgia has a great future ahead. I am so proud of the young lady she is and her parents should be so very proud of the qualities they have instilled in her as well. Congratulations Georgia!

-Mrs. Hood (1st grade teacher)

Georgia is one of the kindest, most creative kids you'll ever meet! She brings joy, imagination, and a helping heart into our ART classroom every single day. Whether she's encouraging a friend, dreaming up a brilliant idea, or adding her own artistic flair to a project, Georgia leads with compassion and creativity in everything she does. She is the most amazing artist. I am so proud of you—way to go, Georgia!
