Facilities:

We are currently seeking quotes for updating the sound system in the main gym. We have had 4 different vendors view the facility. We have one quote returned so far.

We have contacted the vendor of the scoreboards in the main gym to get quotes for shot clocks to be added sooner rather than later. This will go into place during the 2027-2028 school year.

The Football Stadium sound system has been completed, with the vendor returning to tweak and install the speakers on the Visitor side. Very pleased with the work they have done.

Sports Information:

Winter sports are in full swing.

The football team has finished the season with 2 playoff wins and a third-round loss to state runner-up South Warren. We are very excited about the future of Colonel Football.

The volleyball team finished as Region champs and lost in the first round of the KHSAA state tournament at Apollo. Great 2nd year for Coach Harris, 2nd Region Coach of the Year.

The boys' cross country team finished 5th in the region and qualified for the KHSAA State meet. They had a great showing at the meet.

Girls' and Boys' Basketball are both underway with several wins and are expected to make another run to Rupp.

Bowling has been doing extremely well with several wins for the boys and girls teams. We should have a very successful season.

Swim has been competing weekly and is looking to break several records this year.

Wrestling will be hosting the 1st Region Tournament this year. Both the boys and girls teams are competing in all weight classes, and the middle school program is growing each year.

Respectfully Submitted,

Nathan Grace
