

**MARION COUNTY**  
**Public Schools**

**Superintendent's Report**  
**Thursday, December 11**

# Facilities

The new parking lot on the main campus had the base layer of asphalt added and will have lines striped soon.

The parking lot is currently usable, although the final layer of asphalt will be added in the spring.

# Facilities

District officials met with legislators recently to discuss the future of Lebanon Elementary School.

# Staff Accomplishments

The Aspiring Leaders Academy recently concluded.

Participants developed their leadership skills through hands-on experiences, shadowing, and focused leadership skill-building.

# Staff Accomplishments

Jill Edlin completed her doctorate degree in Occupational Therapy from Eastern Kentucky University.

# Continuous Improvement

Lebanon Middle School held Instructional Rounds where staff members observed other classes and teachers and then met afterward to discuss best practices.

# Community Support

The district's FRYSC Directors are working with Community Education Director Nancy Shockency to provide a food pantry to families in need.

# Student Achievement

The SHIELD Team at Lebanon Middle School is a club focused on improving school culture through student-led initiatives.

Earlier this year they organized a Peer Shout-Out campaign where students nominated their peers to be recognized for exhibiting positive attributes.

The group is currently planning their next project.

# Peak Moments

Marion County Middle School held a staff vs. students volleyball match to celebrate the second quarter of the school year.

# Peak Moments

Lebanon Elementary kindergarten students worked on a unit focused on how plants grow which included guest speakers, literacy activities, and a seed dispersal dance.
