Day

Pieces of the Story

In this collaborative mystery challenge,
each student held a clue they
could only share verbally but could not
show teammates.

7 Habits

Habit 5:
Seek First to Understand,
Then to be Understood

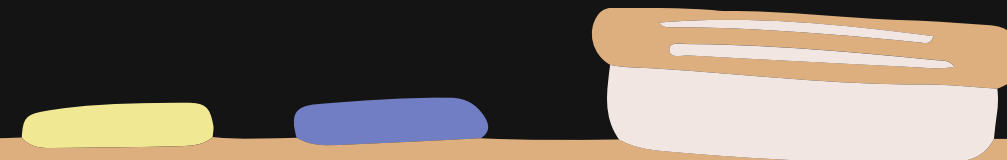

Listening first...and then sharing how
we thought that clue solved the
mystery!

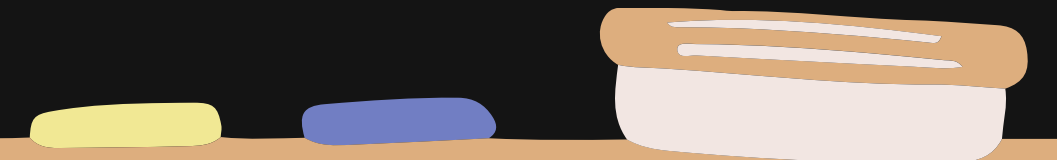

Habit 6:
Synergize

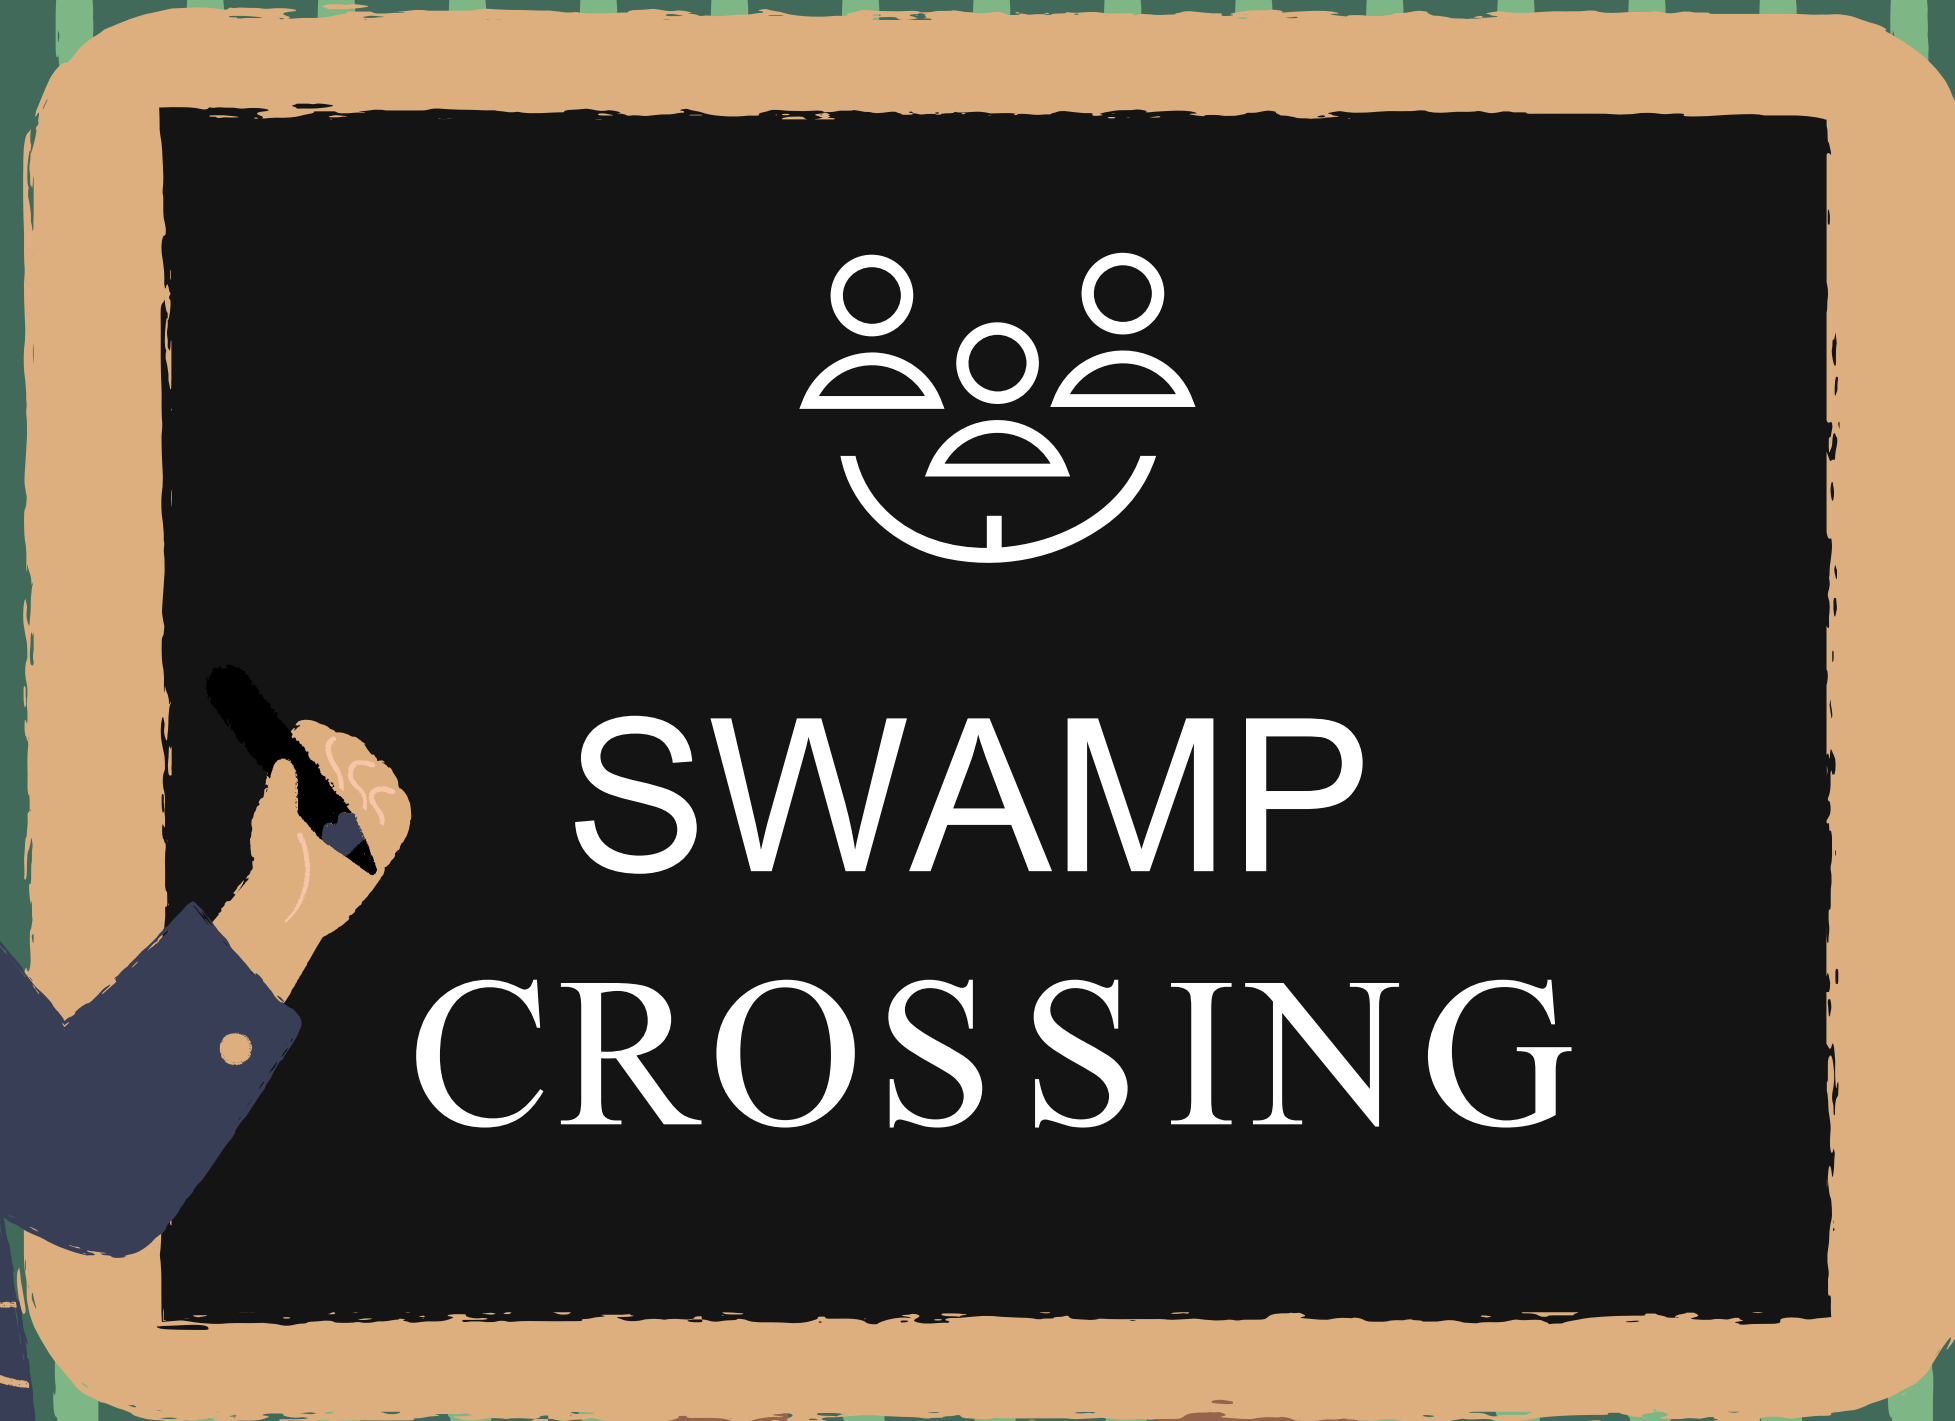

Each of our clues could not solve it
alone, but all of them together did!

Pieces of the Story

Swamp Crossing

The goal is for a **team to navigate** from a designated starting area to a safe finish line **across an imaginary “swamp”** without anyone’s feet directly touching the swamp outside the safe zones.

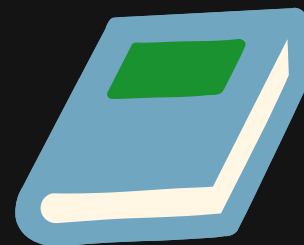

7 Habits

Habit 2:
Begin with the End in
Mind

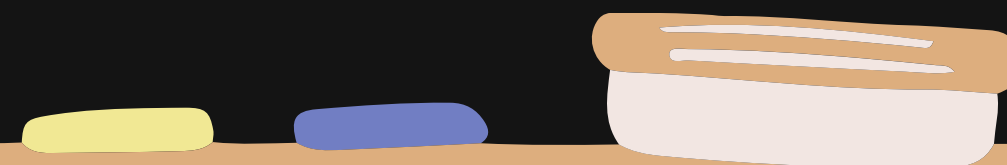

We had to remember the goal before
we could start planning!

Habit 6:
Synergize

Taking a step back and listening to
other's ideas.

Swamp Crossing

HUMAN MAZE

Human Maze

Following a pattern, based on **trial-and-error**
In this activity **mistakes are expected** and
needed to find the correct path.

7 Habits

Habit 1:
Be Proactive

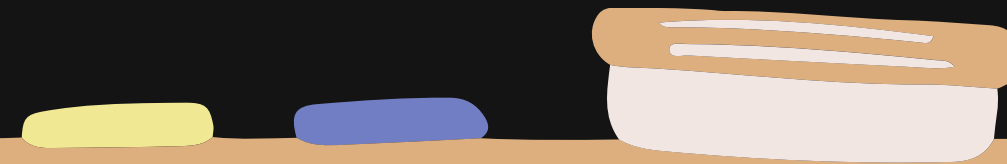

Observing and watching
our teammates!

Habit 4:
Think Win -Win

Failure wasn't a loss...it
brought us closer to victory!

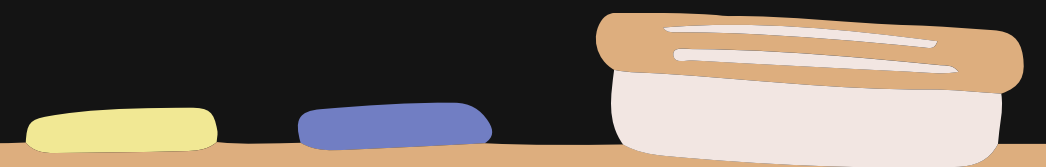

Failure wasn't a loss...it brought us

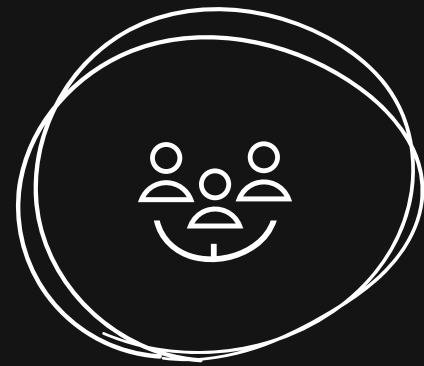

Together we are better!

BALL DROP CHALLENGE
