g. Council Member Comments

Mr. Barwell announced news that was shared with all staff earlier in the day, that he resigned his position as Principal and will work through June 30.

Council members shared understanding and noted that Mr. Barwell has made a remarkable impact on building relationships over the past two years, and he has been successful reaching kids in ways that is so needed. Mr. Barwell clarified that the decision to resign was his alone, and that he has been fully supported by the district.

Mr. Barwell summarized the legislated changes to the Principal Selection Policy effective July 1, 2023, and that Dr. Wilson will lead upcoming efforts that will include SBDM council members to select and hire a principal.

2. Action Items

a. Master Schedule

Appreciation was expressed for timing commonality across grade levels, decreased class sizes, more equitable time for instruction, and more options for special education students to be instructed by certified teachers.

Conversation included recognition that the proposed schedule would not change much in the grand scheme of things, especially if the schedule changes with a new principal. Since students have already signed up for classes for the 24-25 school year, and the schedule of classes was published and distributed during the expo nights, and is currently being used by counselors to enroll 5th grade students at each elementary school, it makes sense to continue with the current schedule.

Motion Passed: Motion to continue with the master schedule as it currently stands passed with a motion by Joe Ogonek and a second by Jessica Conley and the consensus of the council.

b. Allocations

Final numbers are still being calculated and will be provided by central office at the end of this week. Recommendation to convene a special meeting to learn more and focus on allocations was made. Council members agreed to get together next Wednesday, March 20 at 3:00.

Once the council agrees on proposed allocations, then Mr. Barwell will send opportunities out to gauge teacher interest. Once teacher interest has been surveyed and collected, then Mr. Barwell will share information with teachers.

Motion Passed: Reconvene during a special meeting next Wednesday, March 20 at 3 pm after the allocation data has been finalized by central office. passed with a motion by Jessica Conley and a second by Phil Griffin and the consensus of the council.

c. Budget

Current expenditures were reviewed along with projections for next school year based on the estimates for 2024-25 school year provided by central office.
