

**THIS IS A DECISION PAPER**

TO: Members of the Hardin County Board of Education

FROM: Nannette Johnston, Superintendent

SUBJECT: Bids for Fire and Safety Equipment  
June 1, 2011 – May 31, 2013

DATE: May 19, 2011

**ISSUE / DISCUSSION:** Sealed bids were opened on May 2, 2011 to purchase, inspect, and maintain fire and safety equipment for the Hardin County School District. Due to the complexity of the bid tabulation a clear cut low bidder can not necessarily be determined. We recommend Superior Fire & Safety to be the approved vendor based on price, quality, time of delivery, and previous experience. A copy of the bid is attached.

**RECOMMENDATION:** It is my recommendation that the Board accept the bid from Superior Fire & Safety to provide service as needed to the Hardin County School District.

**RECOMMENDED MOTION:** I move that the Hardin County Board of Education accept the bid from Superior Fire & Safety to purchase, inspect, and maintain fire and safety equipment for the Hardin County School District.
