Trinity (Louisville)	We tell parents four times per year, in writing, who may pay tuition if they want their son to play KHSAA sports. For example, this statement appears in a policy manual that they must sign saying they have read all our policies and agree to follow them: "There are financial aid and tuition rules that apply to students participating sports sanctioned by the Kentucky High School Athletic Association (KHSAA). To be eligible for KHSAA sports, no student may receive tuition aid from the school in excess of the demonstrated need that is determined by Private School Aid Service. Additionally, no student may participate in KHSAA sports if all or part of his tuition is paid by someone other than an immediate family member (defined as the student's father, mother, brother, sister, step-father, step-mother, step-brother, step-sister, aunt, uncle or grandparents)."	549	515	152	Private School Aid Service (Lakewood, OH)
