About Us:

Our Mission - *Helping Kids Play Sports*

WeWannaPlay, Inc. is a non-profit organization whose mission is to make sure every student athlete that wishes to participate in middle or high school varsity sports has that opportunity and is not held back by the escalating costs of participation fees. All funds raised will be used locally in sponsorships of qualifying student athletes in organized sports at Bondurant, Elkhorn, and Frankfort middle schools and also at Frankfort, Franklin County, and Western Hills high schools. Qualifications are met by students on free and reduced lunch programs.

Cost should not be a deterrent for a child to want to participate in athletic programs; in turn, athletic programs should motivate academic success.

Our History

WeWannaPlay, Inc. became incorporated as a nonprofit organization in Kentucky in April of 2011. We are currently applying for 501(c)3 status. We plan to host three to four fund raising events per year to fund our mission above.

Our Vision

WeWannaPlay, Inc. is currently a community focused organization only operating in Franklin County, Kentucky. The problem is not unique to our community and we would love to expand. If you want to start a branch in your community, contact us.
