RE: Revision in Championship Trophies

For the last several years, due to price fluctuations in metal costs, the cost of the Boys' and Girls' basketball championship trophy has continued to rise.

Year	BK Winner	BK Runnerup	FB Winner	FB Runnerup	Other Winner	Other Runner up
2007-2008	688.20	305.13	314.66	118.43	73.20	68.00
2010-2011	701.95	311.20	320.95	120.80	74.65	69.35
2011-2012	989.00	495.00	337.00	267.75	78.38	72.82

In addition, one of the Board's duties is to standardize the size of trophies. I would propose we look at two things –

- 1) For 2011-2012, standardize the trophies in baseball, soccer, volleyball, softball to mirror the championship awards in football. The cost of this change is approximately \$400 per sport, for a cost of approximately \$1600
- 2) For 2011-2012, reduce the basketball awards to the same design as the football awards. This savings of \$860 covers more than ½ of the cost of ramping up the other team sports and allows for more standardization.
- 3) For the future budget years, review the design of the championship awards in the individual sports, keeping in mind that Track and Cross Country have a budget multiplier of 6 when making those decisions.
