Kentucky College Coaches

Student Profile

Each Kentucky College Coach will work with a cohort of 50 students, distributed across grades 9-12. Ideally, there will be 12-13 students from each grade. Some qualities to look for in a student are:

Academic Factors	Socio-economic factors	Environmental factors
GPA between 2.3 and 3.5	Qualifies for free or reduced lunch	Lack of involved parent
9-10 Graders Explore results o English – 10+ o Reading – 12+ o Math – 13+ o Science – 15+	First generation college student (parents are not college graduates)	Is being raised by someone other than their parents.
11th Graders Plan results range o English – 13+ o Reading – 15+ o Math – 17+ o Science – 18+	Not expected to attend college.	Lack of involvement in extra-curricular activities.
12th Graders ACT results range o English – 16+ o Reading – 19+ o Math – 20+ o Science – 20+		Higher than average number of absences.
May need tutoring in one or more subject area.	May not understand how he/she can attend college (financially).	May have higher than average discipline referrals, and/or may have contact with Juvenile Justice System.
