Supervisors may allocate for new hires pay as scheduled above in 25% increments not to exceed 100%. 50% of unallocated pay will be retained for use by the school/department with those funds under the control of the principal/supervisor to be used for non-athletic xtra duty assignments.

Once adopted all persons hired for the remainder of 2011-2012 will be paid based on the new schedule. Current employees who have been in the position since FY 2009 or later and whose current pay exceeds these revised rates shall continue to keep their current pay through FY 2015. Effective July 1 2015 they will be paid at the rate approved at that time. For employees in their current position greater since FY 2008 or before, and whose current pay exceeds these revised rates they will retain their current pay indefinitely.
